

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds, and every eye shall see him, and they also that pierced him. And all the tribes of the earth shall bewail themselves because of him. Even so.

Amen.

I am Alpha and Omega, the beginning and the end, saith the Lord God, who is, and who was, and who is to come, the Almighty.

Revelation 1:7-8

Alpha and Omega Healing Seminar

Durbanville Catholic Church, Cape Town: 25 to 27 January 2019

This seminar will focus on the essence of God's call to us, how we can be filled with his love and graces, and how to fight his enemy and become the saints we were created to be. It is designed to bring teaching and spiritual healing to attendees, as taught to us by the Holy Trinity and Mother Mary to Jesus' End of Times messenger, Fernanda de Sequeira, who has been conversing daily with the Holy Trinity and Mother Mary since 2009. At the end of the seminar, attendees will be armed with knowledge and resources to bring similar healing to their loved ones, families and the communities they serve.

The main teachings will be led by Charles Pritchard who will draw inputs and testimonies from Fernanda and other Alpha and Omega prayer team members in the discussions. Monsignor Fr Barney McAleer (Pretoria) and exorcist priest, Rev Fr Colin Bowes (Noupoort) will be assisting in hearing Confessions and the laying of hands respectively, while prayer team members will be available to assist with individual counselling and prayer support, as required.
