1. CONTROLLERS

- 1.1 The controllers of the Northern Regions Formula Monoposto Championship shall be Motorsport South Africa, (hereafter referred to as MSA), who have delegated control of the Regional Championship to the MSA Northern Regions Motorsport Committee, the MSA Single Seater Commission (hereafter referred to as SSC) and the Formula Monoposto Committee (hereafter referred to as FMC). The MSA GCR's and SSR's, which shall prevail in the event of a conflict, must be read and understood in conjunction with these rules and regulations.
- 1.2 The Controllers reserve the right to amend, alter or introduce additional rules and regulations and issue interpretation of these regulations as deemed necessary.

2. AIM OF THE CHAMPIONSHIP

- 2.1 To declare an Overall Formula Monoposto Champion.
- 2.2 The Championship will be awarded on the basis of the highest points scored in the class-based championship. Other awards may be made at the discretion of the FMC.

3. REGISTRATION

- 3.1 All competitors wishing to participate in the Monoposto Championship may be required to attend a registration day where:
 - 3.2 A race number will be allocated.
 - 3.3 A chassis identification plate may be issued that must be affixed to the chassis of the vehicle, a registration log may be kept by the secretariat of Monoposto.
 - 3.4 A driver code of conduct will be signed and understood by all competitors.
 - 3.5 The registration process will have no bearing on the individual clubs membership and registration.

It is recommended that Formula Libre and Formula M charge a nominal annual Association membership fee of R350.00 in order to maintain parity and encourage expanding memberships.

4. RULES AND REGULATIONS

- 4.1 All qualifying races will be held under the General Competition Rules (GCR's) and Standing Supplementary Regulations (SSR's) of MSA, and those Standing Regulations and the Supplementary Regulations as may be issued by the Promoters from race to race.
- 4.2 The GCR's together with the SSR's must be read and understood in addition to these regulations and specifications.
- 4.3 Drivers must hold a current and valid MSA Club licence that is applicable to this series. MSA circuit racing licences can be obtained by making application to MSA on the appropriate form. (see the MSA handbook for details).

9 CLASS STRUCTURE

- 9.1 Class allocation shall be determined at the first race meeting of the season that the competitor competes in as per 9.3.
- 9.2 There will be 5 time based classes, namely Class A, B, C, D, & E, Class A being for the fastest cars. The Association will maintain a register of the competitors in each class, which will be published and available on request.
- 9.3 The points scorer with approval of the FMC will allocate unknown car/driver combinations to a class after qualifying or if necessary after their first racing heat participated in.
- 9.4 The FMC reserves the right to amend class brackets at its own discretion. Its decisions in this regard will be final and binding. Any such amendment must be done and published prior to the first official practice of a race meeting and be formally approved by the FM Chairman & Committee. A copy of the class brackets will be available from the FM Committee.
- 9.5 Competitors recording a time faster than the class limit will automatically move up to and score points in the next higher class in the heat in which the competitor recorded the faster time. Save in the case where the FMC is of the view (at its sole discretion) that exceptional circumstances prevail.
- 9.6 Competitors who have recorded slower times than the class lower limit in two consecutive race

meetings may be moved to a lower class.

- 9.7 The FMC may review any class change at its discretion or on written application by the competitor, supported by good reason, after two events have passed in which the competitor has participated.
- 9.8 A competitor may at any time apply to the FMC in writing, supported by good reason, to change a vehicle from a higher class to a lower class (ie from Class B to Class C). Should this class change be allowed, the competitor will immediately revert back to the original class should he/she break the new class time once in qualifying or any race.
- 9.9 All class changes shall be notified to the competitors affected.

10 GENERAL TECHNICAL SPECIFICATIONS

- 10.1 Each formula will operate with a registered technical consultant/s who will be responsible for the policing of their respective technical rules. This person/s must be elected by the respective formulae and must be conversant with the rules governing the category. The TC/s must be registered with MSA.

11. RACING SEASON CALENDAR

As supplied by Northern Regions and MSA, all race meetings to count toward the championship.

12. CATEGORY BREAKOUT PROTOCOL

If Formula Libre or Formula M can supply a field exceeding 20 cars for 80% of the racing season they may apply to race "on their own" for the following season.

13 ANNUAL PRIZE GIVING

- 13.1 The Monoposto Champion will receive a floating trophy and R500.00.
- 13.2 2nd place will receive an award and R300.0.
- 13.3 3rd place will receive an award and R200.00.

14 RACE DAY PRIZE GIVING

- 14.1 Formula Libre & Formula M will receive trophies from the organizers if supplied.

15. YELLOW AND RED CARD SYSTEM

- 15.1 A Yellow Card will be issued to all competitors should there be contact between competitors' vehicles during practice or racing. Should one of the drivers involved in the incident accept all blame for the incident, the committee will then consider rescinding the issue of the yellow card to the other driver or drivers.
- 15.2 When a competitor is issued with a Yellow card, he/she will be under observation for the following two race meetings in which he/she competes (irrespective of the season). If the competitor is penalized with two Yellow cards whilst under observation for an existing Yellow card, he/she will automatically be penalized with a Red card.
- 15.3 If a competitor is penalized with a Red card, he/she will automatically be banned from participating in the following two Formula Monoposto Car race days. Two Red cards in any one season, will automatically exclude the competitor for the rest of the season. If the rest of the season has less than four Formula Monoposto race meetings the exclusion will be extended into the new season so that the exclusion is for a minimum of four Formula Monoposto Car race days.
- 15.4 Yellow and/or Red cards may be issued by the FMC in their sole discretion, to competitors for reckless and/or dangerous driving, unsportsmanlike behavior and/or contravention of MSA regulations.
- 15.5 The consideration to issue Yellow and/or Red cards will be taken by the FMC, after taking into account all the facts relating to the incident. The competitors involved in incidents are required by MSA to submit a report to the Clerk of the Course within one hour of the finish of the practice or race. The FMC, in the absence of any incident report to the Clerk of the Course (CoC) may request incident reports from competitors and after consideration at a hearing, may decide to issue Yellow and/or Red cards. Should it be found that no incident reports were submitted to the CoC, the FMC shall issue all competitors involved with the incident a yellow card.
- 15.6 The competitor has a right of appeal to the FMC within seven days of notification of the award of a card. After hearing the appeal of the competitor, the sub-committee shall have the right to

change or abide by their decision. Such a decision will then become final.

16 Allocation and control of available Monoposto Funds

All funds drawn for the establishment and running/promoting of Monoposto will be controlled by the Single Seater Commission/ MSA and requests directed from the Monoposto Chairman to the single Seater president.
