FIM Grand Prix World Championship

Decision of the Grand Prix Commission

The Grand Prix Commission, composed of Messrs. Carmelo Ezpeleta (Dorna, Chairman), Paul Duparc (FIM), Herve Poncharal (IRTA) and Takanao Tsubouchi (MSMA), in an electronic meeting held on 7 October 2019, made the following decision:

Sporting Regulations

MotoGP CLASS - TEST RESTRICTIONS

With the introduction of additional events in the Grand Prix calendar, the MotoGP class teams have been examining ways to offset the additional workload on riders and team staff by reducing the number of tests.

Agreement was reached between the teams to propose cancellation of the November 2020 test after the Valencia GP and the traditional March 2021 test prior to the Qatar GP.

The proposal was approved by the GPC and will become effective in the regulations from Season 2020, which starts the day after the 2019 Valencia GP.

Implementation of the new regulations will result in the following programme of MotoGP class tests:
