# FIM Sidecar World Championship & F2 Sidecar World Trophy

## Provisional 2016 calendar

The Commission of Circuit Racing (CCR) is pleased to present the 2016 FIM Sidecar World Championship & F2 World Trophy Calendar. In 2016, both classes will race together.

Date	Country	Circuit
10 April	France	Le Mans
18-19 June	Croatia	Grobnik-Rijeka (2 Races)
25-26 June	Hungary	Pannonia Ring (2 Races)
07 August	The Netherlands	Assen
27-28 August	Germany	Oschersleben (2 Races)
18 September	TBA	TBA

As previously announced and following the decisions taken during the last CCR Meeting, the 2016 and 2017 Regulations will be modified as follows:

In 2016, the FIM Sidecar World Championship class and the FIM Sidecar F2 World Trophy class will compete together. A separate classification will be drawn up for each class.

The class admitted for the FIM Sidecar World Championship will be: Superside (1000cc) 4 strokes, 4 cylinders max.

The class admitted for the FIM Sidecar F2 World Trophy will be: F2 (600cc) 4 strokes, 4 cylinders only.

The 600cc engines will be those used in motorcycles with a valid FIM Homologation for the Supersport/Superstock 600cc class.

In 2017, only the 600cc will constitute the FIM Sidecar World Championship.

---

### About the FIM ([www.fim-live.com](http://www.fim-live.com))

The FIM (Fédération Internationale de Motocyclisme) founded in 1904, is the governing body for motorcycle sport and the global advocate for motorcycling. The FIM is an independent association formed by 112 National Federations throughout the world. It is recognised as the sole competent authority in motorcycle sport by the International Olympic Committee (IOC). Among its 50 FIM World Championships the main events are MotoGP, Superbike, Endurance, Motocross, Supercross, Trial, Enduro, Cross-Country Rallies and Speedway. Furthermore, the FIM is also active and involved in the following areas: public affairs, road safety, touring and protection of the environment. The FIM was the first international sports federation to impose an Environmental Code in 1994.
