MSA NATIONAL CROSS COUNTRY MOTORCYCLE & QUAD CIRCULAR **02 OF 2019**

MSA regrets to advise that the National Cross Country Motorcycle Championship event scheduled to take place in the Stella area on 31 August 2019 has been cancelled. Without the support of a formal club infrastructure to assist in organising the event, it is felt that the risks are too high that the event could potentially fall short of the safety and organisational standards required of a national championship event, despite the best efforts of the individuals who kindly agreed to try and make the event happen. In the circumstances, it is felt better to err on the side of caution and that the most prudent option is therefore to rather cancel the event.

The number of national championship rounds is therefore reduced from seven to six, still with all to count.

The final two rounds of the 2019 National Cross Country Motorcycle Championship will take place in the Vryburg area on the scheduled dates of 08/09 November.
