MSA ENDURO NATIONAL CIRCULAR 01 OF 2019

Please kindly note below clarifications:

Timing

The below approved Timing systems which can be utilised for all National Enduro events will be: Pro Timing; Race Control and ZA Timing.

Race numbers

As the national Enduro and Cross Country classes are not fully aligned in all instances, it may occur from time to time that a rider who participates in both forms of the sport may have a race number on his motorcycle that does not comply with the colour requirements for the numbers and backgrounds. In such instances, the rider/s concerned shall be required to display a temporary letter "E" (riders competing in an Enduro on Cross Country number colours and backgrounds) or a letter "X" (riders competing in a Cross Country event on Enduro number colours and backgrounds). These letters ("X" & "E") shall be temporary in nature (duct tape or similar) and shall be displayed in front of the race number.

Scrutineering

Riders are to note that the Self-Scrutineering form is compulsory to be filled in and submitted at Event Documentation, and scrutineering will be carried out by the Scrutineer at the event as well.
