MSA NATIONAL HISTORIC CIRCULAR 3 OF 2020

In order to provide the necessary clarification, the following decisions were reached at the Historic Commission meeting of 09 September 2020:

1. **2020 NATIONAL TECHNICAL REGULATIONS FOR PRE-1980 HISTORIC SALOON CARS:**
 - a. Rear suspension regulation 4.2.1 – competitors must comply with the existing regulation.
 - b. Rear suspension regulation 4.2.5 – competitors must comply with the existing regulation.

2. Electric water pumps and electric power assisted steering are not permitted (*unless fitted as standard equipment by the OEM*) as such devices are not deemed to be of the period nor of any historic nature and clashes with the ethos of historic racing.

Any competitor that is in breach of any of these regulations risks having their HTP being withdrawn until such non-compliance is rectified (Refer GCR 93 iii, 157 b, 176).
