MSA NATIONAL KARTING CIRCULAR 7 OF 2019

The following wording is hereby deleted from Article 10 i) of the 2019 National Karting Championship Regulations and Specifications: ***"PADDING: - A class will be deemed to have been padded, and thus not qualify for championship status if less than the required numbers of competitors do not compete in ALL races during an event."***

A class will be deemed to have achieved the required minimum number of starters, and all races run on the day will score towards the relevant championship, if the class achieved the required minimum number of eligible starters in at least one of the races on the day.

In the interests of consistency and fairness to competitors, the abovementioned amendment is to be uniformly applied across all levels of South African karting on a country-wide basis and with retroactive effect from 01 January 2019.
