## **MSA NONCIRCUIT MCYCLE & QUAD NATIONAL CIRCULAR 02 OF 2018**

For purposes of clarity, please note that the Weekend Offroad Warrior (WOW) licences are only valid at Cross Country Motorcycle & Quad and Enduro events.

This licence allows competitors to race in the appropriate class as per their age and motorcycle/quad capacity at the event, in order to give them the opportunity to test their racing abilities prior to obtaining a formal MSA license. The WOW license is not a separate class that allows organisers to make up their own rules for the class.

The WOW licence has a lower status than a club licence, and therefore competitors will be timed to reflect on the event results, but will not garner any points or trophies, except for a finisher's medal, if offered by the organisers of the event.

The WOW licenced competitors will start at the back of the grid according to the appropriate classes offered at the event on the day. Age and engine capacity may not be altered or amended.

As per the 2018 MSA National Enduro and National Cross Country Mycle & Quad SSR's, WOW licenced competitors will be permitted to compete for maximum of 50% (or a maximum of 2 racing laps, whichever is reached first) of the full class distance participating in.

Please also note that there can be no upgrades from a WOW licence to any conventional MSA Licence.

Once a competitor purchases 3 WOW One event licences in the same motorsport season, they automatically obtain an annual WOW licence for the remainder of the year at no additional cost.
