MSA NONCIRCUIT MCYCLE & QUAD NATIONAL CIRCULAR 06 OF 2018

MSA is aware of a Cross-Country motorcycle event taking place on Saturday 25th August 2018 in the same vicinity of Carletonville as the upcoming National Cross Country Championship event scheduled for 15th September 2018. Competitors are hereby advised that the former event (25th August) is NOT sanctioned by MSA and participation in it by any MSA licence holder will not be considered to be "legitimate participation in an event" in terms of SSR 334 of MSA regulations.

For ease of reference, SSR 334 is reproduced below:

"334. PRE-RACE PRACTISING

Any competitor who has been found to have walked, ridden (any form of transportation) or practiced on the route at any time during the **twenty-eight (28)** days preceding the event, will be excluded. The foregoing, however, does not apply to legitimate participation in an event, which may have crossed or used roads forming part of the event's course within the last **twenty-eight (28)** days. All decisions in this respect will be adjudicated by the Clerk of the Course. Walking the start (first 300 meters or first 2 turns whichever is furthest) of a Cross Country event is permitted: - **Refer SSR 352 g) (iii).**"

SSR 334 provides that the Clerk of the Course for the national championship event shall be required to adjudicate and act on any infractions of this regulation that he either personally becomes aware of or that are reported to him, obviously supported by suitable evidence. Should any further disputes arise as a result of decisions made by the Clerk of the Course in this regard, these can then be referred to the Stewards of the Meeting for the national championship event by way of formal protests as per the laid down procedures.
