MSA NORTHERN REGIONS CHAMPIONSHIP CIRCULAR 68 OF 2017 - KARTING 125GP

WEIGHT CRITERIA

Please be advised that the new weight criteria for the TM KZ10 C motor will be set at a minimum limit of 200 kg (min) until a test can be carried out to see if there is an advantage (if any) over the KZ10 currently being used by most competitors.

This is a temporary measure and as soon as a motor is available for testing, the necessary revised circular will be issued to the relevant competitors taking part in the 125GP Class.

WAYNE RIDDELL
