MSA NORTHERN REGIONS CHAMPIONSHIP CIRCULAR 78 OF 2017 –BMW

The following and amendments to the BMW Regional regulations (NR14) are made with immediate effect:

- 7.19 The use of in-car timing systems, of any type or sort is forbidden during an official practice session, official qualifying session or official race in Class B, C, D and E. If the timing system in the vehicle cannot be completely disabled, the readout must be blanked off so that it is not visible to the driver during the session. Contravention of this rule will result in penalty which could include but is not limited to a breakout penalty or disqualification. Pit-to-car communication systems are also prohibited during all official sessions- teams may make use of conventional pit boards only.
- 7.20 Telemetry data from all vehicles, where applicable, must be made available to the technical committee if it is requested by them.
