## LICENCES AND RACE NUMBERS

### 16km

A special 16km race number (bib) will be issued.

**Registered runners** must wear their ASA licences on the front and back of the vest. The race number must be worn on the front of the vest, partially covering the ASA licence, so that the ASA licence sponsor remains visible.

**Unregistered runners** must purchase a temporary licence to be worn on the back with the race number worn on the front.

### 8km Fun Run

A special 8km race number (bib) will be issued and must be worn on the front. No licence numbers are necessary.

## RACE ENTRY CARDS

Your race number has a "race entry card portion" which you should complete at number collection. At the end of the race, tear off the portion of the race number that is your race entry card, insert into the sachet provided at the finish and exchange the card for a finisher's hand-towel.

## CUT OFF

There is no cut off time though we start packing away at 10h00.

Both routes are flat and a crossover of tar, trail and single track through the Tokai Greenbelts. Trail shoes are not required. We regret the routes are not suitable for prams or wheelchairs and that **no dogs** are allowed.
