

Comrades winner and 2nd place 2016-Modibe Ludwick Mamabolo

I would like to take this opportunity to thank FutureLife and am really humble and honoured to be sponsored by such an excellent product

Since I started using FutureLife my running has been improved cause before all my runs I use FutureLife and this year (2016) I have had excellent results due to your support and thank you for believing in me. At Comrades 2016 in the morning I used FutureLife original and some energy bars all the way and I ran my personal best time in the Ultimate human race. I have achieved a lot in 2016 using your product and FutureLife also helps me to focus on my daily job, not worrying about breakfast because it gives me the edge to go through the day and my training was excellent.

I ran 2h 25min at Johnson Crane Marathon and breaking the Rio Classic Marathon record by 1min, completing the race with a time of 2h 27min. 2nd position at Om die Dam Ultra marathon and 6th position at Two Oceans ultra Marathon in 3h 17min. FutureLife continued to surprise me with the achievements at Comrades Marathon 2016 Where I got position two with a personal best time of 5h 24min 05sec

I don't have more words but thanks a million

Regards
Ludwick Mamabolo
