

The Western Cape Branch of IAIAsa invites you to an evening event on:

TACKLING THE CLIMATE CRISIS: A CROSS-SECTORAL CHECK-IN

Mitigating and adapting to the impacts of climate change are set to be defining issues as the world moves into the new decade. This IAIAsa event will look at some of some success stories, challenges and lessons learned in tackling the climate crisis in southern Africa through the eyes of speakers from the public, private, NGO and research sectors.

OUR SPEAKERS INCLUDE:

Alice McClure – UCT Climate System Analysis Group

Stephen Davis – C40 City Advisor, City of Cape Town, Energy & Climate Change Directorate

Daniel Brink – Independent Risk and Resilience Specialist

Rebecca Cameron – Professional Officer: Climate Change, Energy and Resilience, ICLEI Africa

WHEN: Thursday, 30 January 2020

TIME: 17h30 – 20h00

WHERE: Studio 5, UCT Environmental & Geographical Science Building

COST: IAIAsa members: free; IAIAsa non-members: R220; Non-member student price: R60

RSVP: Please register and pay by **Wednesday, 29 January 2020** using the IAIAsa's **online event registration system:**

<https://iaiasawctacklingtheclimatecrisis.myactive.co.za/capturedetails/registration.aspx>

Once you have registered, an email will be sent to you confirming your event registration. Your membership status will also be confirmed and an invoice will be generated and sent to you. Please pay your invoice as soon as possible, and send proof of payment to operations@iaiasa.co.za before **29 January 2020** as places will be allocated on a first come first served basis, according to payment received. Please use your initials and surname as the beneficiary reference when making payment.
