

The IAIA North-West Branch invites you to attend a panel discussion on:

“A career in Environmental Management: What does it entail?”

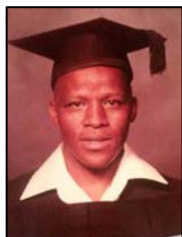

The panel will consist of diverse group of speakers who have been working in the field of environmental management for numerous years:

JP de Villiers

Prof. Stuart
Piketh

Sammy
Mmabula

Reinier
Terblanche

Dr. Claudine
Roos

Johan Botha

David Stoltz

The discussion is aimed at the interactive sharing of information about some of the careers available to students in the field of environmental management. The discussion will explore what each panellist does on a typical day at work, who their employer is and how students can prepare for a career in environmental management.

Students will also have the opportunity to engage panellist to further clarify any specific issues.
