Why use MyActive?

- We are a charity owned business with the sole objective of generating income through the professional services we offer to help those in most need of help.
- MyActive Online used to be a division of Entelect Software, but since 2020 ownership was transferred to the Light of Hope Homes NPC.
- All of MyActive Online's profits go towards social development in the communities we serve.
- MyActive Online is a level 1 BBBEE supplier, so our South African clients benefit from partnering with us too.

The Light of Hope Homes NPC started in 2014 under the sponsorship of the Pritchard Investment Trust and the Entelect group of companies. Today this charity runs 4 homes for men, women and children in South Africa, with a view to expanding throughout the world.

Our Light of Hope
Homes assist poor,
destitute, abandoned
and neglected people
of all ages.

We help substance
abusers to overcome
their addictions.

We educate and uplift
people to their rightful
place in society.
