**CIRCULAR 44 OF 2024 – WORLD ATHLETICS SAFEGUARDING COURSE**

Dear AGN Members,

The World Athletics has introduced a Safeguarding Essentials training course in line with the [World Athletics Safeguarding Policy](#) designed to help create a safe and welcoming environment at all levels of the sport, where everyone involved is respected, valued and protected.

The short course on Safeguarding Essentials is for everyone involved in athletics, whether you are in a voluntary or paid role for a Federation, Association, or for an athletics club as an athlete, coach, manager, official, administrator, or other important role such as a Safeguarding Officer, physiotherapist or medic.

The Safeguarding Essentials course is a 90-minute course of which is divided into three 30-minute sessions for you to complete at your own pace and is available on the [World Athletics e-learning platform](#).

Athletics Gauteng North would like to encourage all members to complete the World Athletics Safeguarding Essentials course and would appreciate it if clubs can ensure that members of your club receive this information.

Kind Regards,

**Durell JeJane**
