Nedbank Running Club has identified your struggle to enter and pay for a race Online. Now that races have opened and only Online Registration & payment needs to be done, we can assist you at a cost of R35 per entry on top of the Race Entry Fee and any other admin cost that is charged by the online race entry porthole.

For assistance, Whatsapp or email Leanne the required below information that is required to enter you in a race. She will confirm total cost as well as Banking Details as some race entries still require an Admin fee on top of your Race Entry Fee. You can then either send payment via your Cell phone Banking, transfer or deposit at the AutoBank into Bank Account for your convenience. Once proof of payment has been received, Leanne will communicate your race entry details by sending you an email or Whatsapp you a screen shot of your entry. Please ensure you communicate well in advance before race entries closes.
