Precious Blood Healing Prayer

Father God to Fernanda de Sequeira on 11/05/2014: My child, I, your Father, I shall give you a special prayer for you to pray upon my sick people with my Son's Precious Blood photo. As you pray upon my people, it is said in this manner...

My precious loving Father God, my precious loving Jesus Christ, my precious loving Holy Spirit, I, your child _____, I am here with the Precious Blood of my Jesus that he shed on the pillar while he was scourged, in excruciating pain. I am here with his Precious Blood in my hands, humbly asking at this precise moment for healing upon your sick child ...name... I am an instrument, a channel, at this precise moment in prayer upon your sick child ...name... I humbly ask this of you, my Holy Trinity, in conjunction with my Blessed Mother, here present as well in this photo in her Son Jesus' Sacred Heart.

Mother Mary, through the pains that you underwent, I ask you to ask your Son Jesus for this healing through his Precious Blood right here on your sick child ...name...

My loving Lord Jesus, he/she is holding it in his/her hands. He/she trusts in you, Jesus Christ, that your Precious Blood will inebriate him/her from the top of his/her head to the bottom of his/her feet to heal him/her of this sickness at this precise moment, according to your holy will. Amen.

Lord Jesus, with you, nothing is impossible. You healed the sick, the lame, the lepers, the paralytics. You did this more than two thousand years ago, yesterday, today, tomorrow and always. I humbly say thank you. Amen.

Pray one Our Father, one Hail Mary, one Glory Be, then say...

My Jesus, through this Precious Blood that you shed while tied up at the pillar where you were scourged, in excruciating pain, I beg you to heal your sick child. Amen.

Pray one Glory Be, then say...

Mother Mary, your sorrow to see your Son's flesh out of his Precious Body and his Blood shed for us, when you once held him in your loving arms... Intercede to your Son Jesus for your sick child. Amen.

My daughter Fernanda, I am your Father God, I have given you this prayer to pray with my Son's Precious Blood photo. Treasure and respect this, my Son Jesus' Precious Blood, which has been given to you for a purpose. You have been entrusted to take care of and to love my Son Jesus' Precious Blood. Amen. This is a privilege, a rare one, to hold my Son Jesus' Precious Blood in your hands.
