

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Jesus prepares his obedient servants in little steps to do his work, which includes trials, pains and sufferings to strengthen their souls

Jesus Christ, Mother Mary

[Fernanda] *My Jesus, my Jesus, I love you very much.*

Jesus Christ

My child, fix your eyes on me, your Jesus. Concentrate on me, my child.

[Fernanda writes] *I was concentrating on my Jesus. As before, his Sacred Face is changing all the time.*

[Fernanda] *I adore you, my Jesus. Thank you for tonight.*

[Fernanda writes] *My precious Jesus' Sacred Face was changing again. Jesus was sending me lots of kisses.*

Oh my child, your eyes were closing again. You are so tired.

My child, tonight was amazing to see my child, my humble servant. My daughter, you were so excited about your testimony. My child, I was so delighted, so joyous. My Mother and I were with you, we stood next to you. You felt our presence, the calmness that I gave you. My little strong one, you were very bold, full of love for me and my Mother and the Holy Trinity. My child, this is just the start of how it's going to feel to relay my messages to the world. You are going to stand in that position, talking about your Jesus. I am [preparing you with] your first step, like when you started walking, baby steps, for your mission, your task. I was so pleased with your talking. Your testimony was so powerful in my children's hearts. They were absorbing your words, your love for me and my Blessed Mother. My precious child, you didn't leave anyone out. My child, did you feel my hug? I embraced you for all the words. Your sincerity, your humbleness, humility was shown tonight to all my children. Thank you, my child, for understanding all your trials and tribulations. They were [part of] my plan. Oh my child, I love you very much, but I had to let you go through all the pains and sufferings for you to come closer to me, to be the way you are now.

Thank you, my Petal, my joy, my jewel in a box of purified gold. See, it wasn't so difficult to stand up there and let all your love flow. Thank you, my child. I love you too.

[Fernanda] *Thank you, my precious Jesus. Thank you for helping tonight.*

My child, my dear Blessed Mother Mary, she is waiting for you. She knows how tired you are.

Mother Mary

My child, I am your Mother, the precious Mother of your Spouse Jesus. My daughter, how grateful I am for your testimony! Many of my children were very touched by your love for my Son. I thank you for all the kindness, humility and simplicity towards my children.

[Fernanda] My dear Mother, thank you for revealing your gift to me. I thank you, my dear Mother. It was beautiful, my Mother.

Oh my child, my adorable one, what I revealed to you, I promised you, is yours. You deserve it. My daughter, you will see now that you can start to plan a lot of your life for your Jesus. Oh my daughter, everything is already on a plate of gold. Take it, receive it, you deserve it.

My daughter, I see you are too tired. You are going to have a long day. My Son and I will give you the strength to cope all day. My child, thank you for loving my Son so much.

My child, I leave you in my peace.

I know you want to know more about what's going on with your mission, your task. After last night, I revealed it to you. Did you like it my child?

My child, rest now. You need it. I will speak to you soon. I will call you soon for another conversation between us. My child, [my Son], he's showing his Sacred Face, my child, his colour is...

I know you want to know more about your mission, your task. We will talk all about how. You will be happy with what I reveal to you.

[Fernanda] My dear Mother, I am so happy, thrilled, joyous, for everything. Thank you, my Mother.

I bless you and your loved ones. This is your Mother, the Mother of your Jesus. Thank you for responding to my call.

My child, my Son is here.

Jesus Christ

My dear child, I thank you for your patience to sit here with us.

My child, tomorrow you are going to be very happy. I am not telling you – you will find out tomorrow. I can't wait to see you dance for your Jesus and my Mother.

I, your Jesus, your God, your Lord, your Saviour, I bless you and your loved ones.

[Fernanda] Thank you, my Jesus. I love you, my Jesus, with all my heart, my Jesus.
