

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7-8

### Jesus Christ, Mother Mary

---

[Fernanda] *My Jesus, I love you. Sorry I am late today. My Jesus, thank you for my Lord's manifestation to me. My Jesus, I am trying to take some photos of my Jesus<sup>1</sup>, but nothing comes out differently. My Jesus, your Sacred Face, your skin colour is too beautiful. My Lord, did I see my Jesus blink?*

#### Jesus Christ

My daughter, I thank you for sitting with me and my Blessed Mother. My daughter, today you were very relaxed in my peace, writing my messages. My child, how does it feel to be home all day?

[Fernanda] *My Jesus, thank you. It's so beautiful, so peaceful.*

My daughter, it's going to be like this from now on. My precious child, thank you for sharing my messages today with my daughter Alice. All night you were talking only about your Jesus and my Mother. I thank you for praying without ceasing to us. Your love inebriated my heart and my Mother's.

My child, you keep looking at me, your Jesus. Yes, my child, I am alive here for you. Thank you for your smile. You had the giggles tonight.

The photos, my child, you took a few already. I will manifest myself to you. My child, yes, I was blinking at you, the shadow, like a veil on my Sacred Face, was my breath on the top lip of my Sacred Face.

[Fernanda] *Jesus, this morning at 10:30am, I am going to see Father Marie Joe. I will take some of my Jesus' messages.*

My daughter, thank you for going to see my beloved priest. I chose him to be your spiritual director.

My child, tonight your eyes are just fixed on me. Yes, my skin colour is olive. Do you like it?

[Fernanda] *My Jesus, I love everything that belongs to my Jesus.*

My child, my precious Mother Mary, she is here waiting for a chance to converse with you.

My daughter, I am your Mother Mary, Mother of your Jesus, your God.

My child, today you were very occupied with my Son's messages. You mind, your soul, everything was [focussed] on me and my Mother.

My little one, I am excited for you, for tomorrow.

My daughter, your eyes are giving you a bit of concern. You have written without glasses.

My Son's Andorinha<sup>2</sup>, I have to let you go and rest. You have been concentrating a lot on your books. My daughter, I have to let you go in my peace.

I bless you all – you and your family, loved ones.

I, your Mother, I love you very much. Thank you for responding to my call. Amen.

### **Jesus Christ**

I, your Jesus, come to you at this moment to say that I love you. Be in my peace, the peace of your Lord Jesus.

My child, I will see [you] in the morning. I love you, my child, my little flower. My peace I give you. Rest now, my child. Your loving Jesus adores you, my love. Thank you for everything. I bless you and your loved ones. Thank you, my child.

[Fernanda] *I love you, Jesus. Sua bênção<sup>3</sup>, the Holy Trinity and my Mother – your daughter Fernanda.*
