

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Jesus Christ, Mother Mary

[Fernanda] *My Jesus, I thank you for everything. I love you, my Jesus, Mother Mary, Mommy, Mãe¹.*

Jesus Christ

My daughter, thank you for everything. Today with my children and my beloved son priest, Father Richard, oh my child, it was so beautiful, the Mass was celebrated with all your hearts. The singing, praising, what a soothing balm to my heart and my Mother's! My child, I want to mention everything that happened today. My child, tell all my children that I love them all equally. The sacrifice of coming all this way to my Mother's holy grounds, what a pleasure to our hearts! My child, a lot of healing took place there at my daughter Sister Reinolda May's [grounds]. My children were very touched. My child, the healing at the streams: my daughter Analissa will be healed of that sickness.

My daughter, it's been a long day, you are tired. Thank you for your time spent with me and my Blessed Mother.

My Andorinha², my Mother is in awe of her children.

My Blessed Mother is waiting to come and converse with you, my Petal.

Mother Mary

My Son's Andorinha, my daughter, I am your Mother Mary, the Mother of your Jesus. I came at this moment to say thank you for sitting here at this hour with my Son and me, for your patience and your love [given] to us. My child, I want to thank all my children for coming to my holy grounds to adore me and my Son, to come to my waters seeking healing, peace in their hearts. Tell my children that I chose each one of them to be here with me.

My child, we have been interrupted.

I will bless them. I will convey [their petitions] to my Son the healer. He is here with me, listening to all their prayers, pains and tribulations. My child, do you know how much we appreciate all the love in their hearts for my Son and me, the love bestowed upon us? I thank all my special flowers, my special children.

¹ Portuguese to English translation: Mommy

[Fernanda] *Thank you, my dear Mother, for all the graces, the love given to us. Mother Mary, can I please ask something from my Mommy, if Mother Mary doesn't get hurt, if it's Mothers will to tell me? When we were coming from the waters, José, my sister and I saw a shadow. We thought it was Mother Mary. When we came back, we didn't see it anymore. Did we imagine?*

My child, thank you for asking this question. Yes, my child, I was there with all of you, my children. I wanted to manifest to my children, but my children carried on walking.

[Fernanda] *Sorry, Mother Mary. We came back but we couldn't see anything.*

My child, I was there for a few seconds, then I followed you. My child, do not worry about that. I will come back again.

[Fernanda] *Mother Mary, at this time, can I ask, please, Mommy, if it's alright, for Mother Mary to make me aware, then I can call your children? Sorry, my precious Mother.*

Yes, my Petal. I will surprise you with something very special, something to remember. My child, I brought you here for a reason. I took you out of work. I have my plans for my little one.

My child, you deserve our love. You are my joy, happiness to our pierced hearts. My Son's little warrior, for my Son's Second Coming – my child, it's part of your mission, your task, it's the beginning, it's the first steps, baby steps, of your learning process. My child, all that I promised to you, I revealed it to you. It's done, all arranged, all on a plate of gold for you. My child, after all of this, there is a big surprise, our home etc. I repeat my Son's words, a big mission is waiting for you to start.

My child, my Petal, thank you. Go and rest now.

My child, your eyes, your vision has to be restored by my Son. He promised you that he will attend to that very soon. We need your vision for my Son's work. Oh my child, you are our balm to our hearts.

I bless you and your loved ones. I leave you in my peace – your Mother, Mother of the Most High, Tabernacle of the Most High. Thank you for responding to my call.

[Fernanda] *Thank you my dear Mother Mary. I love you very much.*

Jesus Christ

My Andorinha, this is your Jesus of Nazareth.

I want to say to you and my daughter Isaura, thank you for the singing in my house. My child, I sent many angels to help you sing. Do you know that my angels are missing your singing and the dancing with them? They are waiting for you to rest, so you're not feeling so tired. From now on you are going to have rest.

My daughter, I give you my peace, my love – go and sleep in my peace – and all my children as I love them very much, each one of them, they are all my special children. Tell them that I don't have favourites. I love them all equally. I created them, I gave them the Breath of Life. I am love. I am a forgiving God. My children, they must come to me with a contrite heart. They must repent, repent and go to Confession. My beloved priests, they listen to their sins but, my child, I am in all the confession boxes with my beloved priests. I am their God of love to absolve my children. I want to save all my children. They are all special to me. They must not fear to come to my fount of mercy, especially this Holy Week. I have compassion and forgiveness. I gave my life for all my children. I

could have turned away from them – that’s my love to all my children, that’s why I endured so much pain on Calvary. I let them crucify me for the love, the salvation of my children.

My children, I love you all. Love your God with all your hearts.

My child, teach them your immense love to me and my Mother. Thank you, my child, for spending all these hours with your loving God, your Jesus and my precious Mother. I give my love to you. [My peace] be with you, my little one.

My child, relay this message to my children. I, your God, your Jesus, thank you.
