

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Jesus Christ

[Fernanda] *My dear Jesus, my dear Mother Mary, I love you very much. I thank you, my Jesus, my dear Mother Mary. Can I ask you, my Precious Jesus in your tomb, and my dear Mother Mary: my Jesus, your daughter Vanessa, she is lying in ICU in Kempton Park Hospital. She is in so much pain. She is not well at all. My Jesus, if it's my Lord's will to heal Vanessa, my Jesus, I trust in you, in your mercy. I thank you my Jesus. If the doctors can find what is wrong with her, please my Jesus. I thank you, my Jesus.*

My daughter, thank you for your trust in your Jesus. My daughter, she is your godchild. You are her *madrinha*¹. My daughter, I will heal my daughter Vanessa. I will heal her of all her sicknesses, her pain, her suffering. She is my special child. She will one day do mighty work for me, her Jesus, her God. I have great plans for my daughter, for my glory. She will recover, she will be my lamp of my times. My little one, pray, pray. I will put my healing hand on her. Remember, at this moment my children think that I am dead. I am alive. I will be with my child Vanessa. My dear Mother will wrap Vanessa and her loved ones with her Divine Mantle.

My child, relay this message to my child, my divine musical instrument. She is balm to my heart and my Blessed Mother's with her melodies into our hearts. My child, my special daughter Vanessa, I love you. Trust your Jesus, your God.

Very soon, I will resurrect to the world. I endured so much pain for the salvation of the world, of my children.

I, your Jesus, your God, come at this moment to convey this message to you, my child. I love you.

[Fernanda] *My Jesus, I love you too, my precious Jesus, my Mother Mary. Thank you for your love for us.*
