

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7-8

### Jesus Christ, Mother Mary

[Fernanda] *My Jesus, I love you. Thank you, my Lord of Lords, my Divine Mercy King of Kings. I adore you. I praise you, my Jesus. I thank you for today, my King.*

#### Jesus Christ

My daughter, my little one, thank you for your time spent here with me and my dear Mother. My Petal, today, my Divine Mercy Sunday feast day was a day of joy. My child, our banquet here in heaven was beautiful. My child, if you could see the joy, the graces of receiving my perishing children, my lost sheep, my flock. My daughter, I thank you and all my Divine Mercy children for the beautiful work done for me, your Jesus. What a great joy. My child, the joy of my Mother to see my children coming to my table, eating and drinking the food of life, salvation, of the covenant. My child, it was a beautiful feast, banquet, with all my saints, my apostles. Yes, my child, we also danced [and were] happy to receive our children into our home. My daughter, one day, you will be able to see all of this joy. You will be part of it. I, your Jesus, will take you in spirit to see all this happening, for you to be able to relay it to my children when you are on your mission. I received a lot of my lost flock, my sheep with contrite hearts into my abode, my heart.

[Fernanda] *Thank you, my Jesus. I love you and my dear Mother. My Jesus, can I ask my Jesus about your daughter Vanessa. She is much better, but she can't sleep. She is scared to sleep. She has bad dreams. Her head feels so heavy, buzzing. My Jesus, what is happening? My Lord, I thank you, my Jesus.*

My daughter, thank you for today. You went to my daughter Vanessa. Thank you for being obedient to me, your Jesus, and the Holy Spirit, to pray for her and to relay my message to my special daughter. My child, do not worry about my daughter Vanessa. She will be healed in my name, for my glory. I need my daughter. I have great plans for her. My child, know that my adversary tempted me too – you have finished reading my living Word, Matthew 4, Luke 4. My daughter this is a process for her purification. I know, my child, I heard what you said to my child. I guided you. I said those words to you to comfort my child. I saw my child Vanessa's tears, the fear in her, but my child, she will be cured. Pray, pray for my child and for all my children who asked you to pray for them. Thank you, my child.

[Fernanda] *I love my Jesus, I thank you.*

My daughter, my Blessed Mother, she is here. Look at her.

#### Mother Mary

---

My child, thank you for fixing your eyes on me. My child, I am your Mother, the Mother of your Jesus. My Petal, what a joy today in heaven. What a great feast. It was worthy to see all the joyous children come to this feast, especially the ones with the contrite hearts. What a great joy in my Son's heart and mine. I repeat my Son's words: one day, we will give you the grace to see all these happenings for you to spread it to my children. My child, thank you, and my daughter Alice, for being in my Son's home, his church. You were proud with my Son's image on your gown, you had so much joy wearing that robe. My daughter, my Son and I, we see everything, your humbleness towards my children.

My daughter we are not alone, you are not completely at peace. I give you my peace and my blessing to you and your loved ones.

My child, you are anxious, your heart is not at peace because your present is still not in your hands. My child, be in peace, it's in your hands. I assure you, you are not going back to work – that's what you fear. You are not in need of that money. You are going to do my Son's work in peace of mind. Your money is here for you to start working for my Son. I said that I will reveal it to you. I will reveal it to you again. My child, be in my love. I bless you, my Son's Andorinha<sup>1</sup>. I love you, my daughter. Thank you for responding to my call.

[Fernanda] *Thank you, my adorable Mother Mary. I love you very much.*

### **Jesus Christ**

My daughter, you are not alone. I will speak to you later. I love you and give my peace, "Shalom" to you and your loved ones, family, friends, enemies and the whole world. I will make my daughter Vanessa sleep well. Be in my peace, my peace I give you – your Jesus of Nazareth.

[Fernanda] *I love you, my precious Jesus, my King, my Lord. Thank you for the love and the time spent here with me, your humble servant.*
