

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Mother Mary's greatest joy is to see a soul being converted to her Son Jesus, but most of the time people turn their backs on him

Jesus Christ, Mother Mary

[Fernanda] *My Lord Jesus, I love you. I adore you. I praise you. My dear Mother, I love you. Thank you for everything, for the beautiful day.*

Jesus Christ

My daughter, my little one, thank you for sitting here with me and my dear Mother, my adorable Beloved Mother.

My little one, today at the Divine Mercy Seminar, it was too beautiful to describe, full of joyous moments. My little one, I want to thank all my apostles, my children, my shepherds, my beloved priest Father George for the intense love bestowed upon me and my Mother, whom he loves very much. My children, my flock, they were all very touched by his words that sank into their hearts. It was like a balm being absorbed into my children's dry soil.

My shepherds, they are my sons. My children must love and respect all my beloved priests. They must pray for them and for my son the holy pope who is innocent but being very attacked. I am their judge, not my lay people, my children. I, your Jesus, get very hurt, my heart bleeds for my son. He doesn't deserve such a punishment. My daughter, I want you to pray fervently for my son Benedict XVI. Ask my children to pray as well for my Church not to fall into decay. My daughter, I, your Jesus, suffer so much pain.

My little one, I need your help. Very soon you are going to be on your mission, your task, my great warrior of my times. My child, soon we are going to start producing, elevating my work for you. My daughter, my time is near. I am running out of time. Most of the time my Beloved Mother's continuous work is in vain. When she comes to me with empty hands to offer me some of my children, then they turn their backs on us. Oh my child, to watch my dear Mother suffer because my people do not listen to their hearts to come to me... My little one, I am only sharing our conversation with you for you to see, to understand what my dearest Mother suffers. What joy when my Mother sees a converted soul come to her Son! It's my Mother's greatest joy.

Thank you, my Andorinha¹ for loving and adoring me the way you do.

[Fernanda] *My Jesus, my love, my Saviour, I wouldn't live without you anymore. You are the source of my life. You are my King, my Lord, my Spouse. Thank you, my Jesus, for your love given to me and my loved ones.*

My daughter, my precious Mother, she is here waiting to be with you.

Mother Mary

My daughter, my Son's Andorinha, I thank you for being here with my Son Jesus. I am your Mother Mary, the Mother of your adorable Jesus. My Son's daughter, thank you for loving my Son, for your heart always praying without ceasing to my Son and me. Oh, oh, my little one, the joy we get knowing your love for us.

My daughter, tonight at my Son's Divine Mercy Seminar, it was incredible – the love bestowed upon my Son. In these moments the pain is eased from my Son's heart and mine. My child, every second of the day, my Son and I just receive constant pain, atrocity, humiliation from my children. Look around you and all over the world, how many thorns hurt [us from] all kinds of sin being committed every instant. Oh my little one, I am very concerned about this country.

My child, very soon you are going to convey, relay my Son's messages to the world. My daughter, my cute little one, my Son's humble servant, you are going to be our hope for this.

[Fernanda] *My precious dear Mother, I love you. My will, my life belongs to my Jesus and my dear Mother. I am ready any time for my Jesus. My beloved querida Mãe², for your Son, I would give myself, my life. I adore my Jesus.*

Oh my little one, thank you for this love given to my Son and me. You are our gem, jewel, fallen from my Son in heaven. You are our garden with multicoloured flowers on earth. Thank you, my Son's Andorinha.

...private message removed...

I bless you, my child, your loved ones, your family and the whole world. I am your Mother Mary.

[Fernanda] *Thank you, my precious adorable Mother, my Queen of the universe, the unique Queen of the world. Thank you for the help given to all of us, for asking your dear Son for more time and mercy for us.*

Thank you for responding to my call.

Jesus Christ

My Andorinha, thank you for conversing with my dear Mother, for your time spent with me and my Mother.

My little one, I, your Jesus was listening to everything that was said to my Mother. My child, my dear Mother, she loves you very much. Anything you ask of her, she comes to me to help you. My daughter, all your wishes have been granted, your hurts [seen]. Remember, you are my humble servant, my chosen desire for my dry fields, my End of Times. Oh my child, nothing will pass without my knowledge, my consent. You are our warrior, our soldier. You are not going to suffer financial problems again. I said to you that you have to be in my peace to do my work. Do not panic, worry, about these material things, my little diamond, my gem, my humble servant.
