

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7-8

### Jesus Christ, Mother Mary

---

[Fernanda] *My Lord Jesus, thank you. I love you. I adore you; I praise you for all eternity. My dear Mother, I love you very much. I adore you, Mommy, Mãe<sup>1</sup>.*

### Jesus Christ

My daughter, I thank you for sitting here with me and my Beloved Mother. My child, I am your Jesus, your God.

What a beautiful, *admirável*<sup>2</sup>, auspicious day full of love, happiness, joy in my heart and my Mother's. My little one, the day started with so much auspicious love. My child, I let you feel my Holy Spirit. I took you into another dimension of light, joy and love. You felt like you were long in that joyous love. I gave it to you, poured out my love, fervent love, unconditional love for you to be able to infill my dry children. My daughter, if only my children would allow me to infill them with my Holy Spirit, my burning love as you did. My child, I thank you for allowing me to use you as my instrument.

My daughter, the healing, prayers, words said were all heard by me and my Blessed Mother. My son, my baby, innocent one, I created him, I gave him the Breath of Life. My child, I, your Jesus, don't want to punish my children, especially my babies. They are so special to me. I will never hurt them. My child, it had to happen that way with my baby Hugo. My child, I, your Jesus, I have my reason, my duties for this, my baby Hugo<sup>3</sup>. My child, in time, I will heal him completely. My child, pray, pray. My Beloved Mother asked me to ask you to pray for the intercession of my daughter Sister Reinolda May. She needs to be proclaimed a saint here on earth. My child, make a novena for my son Hugo, asking Sister Reinolda May to intercede to my Mother, Tabernacle of the Most High. She will intercede to me and I will intercede to my Father. My humble servant, I, your Jesus, your Lord, come to you to convey this message to you, my humble servant, to help my son Hugo. My child, this is between me, my Mother, my Father, the Holy Spirit and you, my daughter, my humble servant.

I am the healer; I am the Alpha and Omega. With me, your Jesus, nothing is impossible to obtain. Thank you, my child, I know your heart is aching for this family. You wish to ask me some questions. My child, I know your heart is still very hurt for my children, seeing their pains. My child, you were

right, this family, my children, they are in turmoil, destruction with pain. My daughter, I want to say to you that my children are innocent, they have been falsely accused for something that's not their fault. They didn't commit errors. It was a mistake, error, not from their hands, but my child, I will clear their names from all this. They must leave it in my hands, their Jesus' hands. The truth will come to the light. They will be happy, joyous again, but, my child, I ask you to please pray intensely for them, for this entire family. They are all in pain, disruption. My daughter, thank you for the love and care.

[Fernanda] *Thank you, my Jesus, my Lord. You are my master, my teacher. I am your pupil, your student. Thank you for confiding in me and for teaching me all of this. My Jesus, I will do my best to help my Jesus whatever my Jesus asks me to do. Thank you for this privilege, for sitting and conversing with me, this insignificant daughter of yours. Thank you, my Jesus, for loving me very much and all your children.*

My daughter, my dear Mother, she is waiting patiently for you. She has so much to say, to talk about with you, my little Andorinha<sup>4</sup>.

### **Mother Mary**

My daughter, thank you for your patience to sit here with me and my Beloved Son in this position, still with no table and chair. My daughter, I am your Mother Mary, your Beloved Jesus' Mother.

My daughter, today, what a magnificent, wholesome, fruitful day! What a joy, balm to my Son's heart and mine. My little one, all day [my children] were in awe of light and love. The Mass tonight was very prompt, strong, full of the Holy Spirit. My Father, he was there as well. My children were very touched, emotional with love. You will see most of my astray sheep will find their way back to my holy grounds. It has been a lot of learning, a process. My daughter Francesca, I thank her for her obedience to me, for praying the Rosary, the Divine Mercy, all the prayers. A lot of my flock has been sprawled away, now it's time to see the reality of my holy grounds. A lot of my children will be converted through it – time will tell. Thank you, my daughter Francesca, my humble child, and your loved ones for being part of my holy grounds, for opening the doors of their hearts with love and smiles in their heart to accept my daughter Francesca's mission, for helping her in this. The reward will be given to you, my children. I am your Mother of the Rays coming to you at this hour, to relay this message to you, to say thank you.

[Fernanda] *My Mother, I thank you, my adorable Mother of the Rays. To say thank you for loving us is never enough.*

My daughter, I want to relay, repeat my Son's message about my son Hugo, to say what my Son told you to do, to remember that my Sister Reinolda May needs to be proclaimed a saint for the good work done to my children – only if a miracle occurs will it be pronounced, proclaimed. I want you to pray with all your heart for this. My child, I ask you not to ignore my petition on this matter. Thank you, my daughter.

[Fernanda] *I love you, my dear Mother. You are the Queen of the whole world, our Mother.*

My child, I want to repeat again what was left unfinished: our conversation this afternoon about my holy grounds<sup>5</sup>. My daughter, about going to Ngome, it has to be on the dates, days, that I said to

you. My child, tell my children and my daughter Celeste to look properly for the names that I mentioned to her who have to go. My little one, I know it's a bit inconvenient at this time and there are some blockages in the way that have to be unblocked to proceed with my petitions that I asked of you, my children. Do not fear, there is a way to go forward in my Son's name and [for his] glory. I repeat, my chosen dates given to my daughter Celeste are 12 and 13 May. I have something special for my obedient flock, *rebanho*<sup>6</sup>.

Thank you, my Son's Andorinha.

[Fernanda] *Thank you, my precious loving Mother.*

My daughter I want to say to you about my shepherd, my beloved priest Father Mari Joe. He will have to go on the next trip. My children must pray for my son priests. Do not worry about that problem created by my adversary, my enemy. It was one of his tricks to destroy, to stray my beloved priests. It's his joy to see destruction in my Holy Temple. He knows that his time is limited now, so wherever he can, she disrupts my son priests, my Church, the peace. My child, my son is needed to shepherd here between my sheep. He has done great, beautiful work for my, our, children. Be in peace. He is my Son's beloved shepherd entrusted to you, to take care of his astray lost sheep, flock.

Thank you, my daughter, I bless you and your loved ones.

I am your Mother Mary, I came to you to convey this message. My child, you have to relay this message to my children. Do not fear criticism. Thank you for responding to my call.

### **Jesus Christ**

My daughter I, your Jesus, I have been listening to my Mother's and your conversation.

My Andorinha, today you are a bit tired. It's been a long day, important, fruitful, beautiful.

Thank you, my Andorinha, my humble servant of your Jesus, your God. I give you my peace, my love and understanding to you, your family and the whole world. Oh my daughter, I, your Lord, your Jesus of Nazareth, thank you for the time spent here with me my Mother.

[Fernanda] *My Jesus, I love you. I thank you for everything bestowed on my life. I love you, my Jesus  
xxxxxx.*
