

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Jesus Christ, Mother Mary

[Fernanda] *My Jesus, my precious Mother, I love you very much. I apologise for not sitting with my Jesus and my dear Mother yesterday. My Jesus, I didn't want to wake up and disturb your daughter. I am sorry. Next time when I stay there, I will sleep in the other room. Thank you, my Jesus, my Lord.*

Jesus Christ

My daughter, Andorinha¹, I thank you for making the time now for me and my Mother. My child, I understand, but my little one, I missed our conversation. I have so much to tell you, to converse with you.

My child, I know today is a special day. My daughter, I want to convey to you from me, your Jesus, to my humble servant. I wish you a happy Mother's Day, to you and to all my children. My child, I know you are going to my other children for lunch. I want to bless you and my children around the table there. I will be sitting there with my Mother – make space for me.

[Fernanda] *My Jesus, I will make a space. Thank you, my Lord.*

My child, I want to continue to converse with you.

My daughter, what a great day yesterday. My child, the prayers at my child Francesca were a balm to my Mother's heart and mine – and the continuous procession! I will leave it to my dear Mother to share her joy with you.

My daughter, about this afternoon, I want you to tell my children to trust in me, your Jesus. They must love one another as I love them. I will take care of them and protect them. I will restore their happiness. My child, you love them very much, you care for them. I want to convey, relay to you, that what you care for, I care for. They are your loved ones. My child, I will bless them abundantly and my Mother's Mantle will cover them. Tell them in my name, your Jesus' name, to pray. Explain everything to them that I have been telling you. My child, explain about Confession and repentance, that they must come to me with a contrite heart. I will embrace them.

My little one, I know how concerned you are about my son, your godchild _____. My child, you were right: he needs prayers. Pray for him. My child, he must come to my heart. He, my son, must let me in. I will guide him and protect him. Do not worry, he is going to come right. He is going to find his path in life. He must make a good Confession, with a good blessing from my beloved priest. I

¹ Portuguese to English translation: Swallow

will be there to absolve him and bless him. I am the one in the Confession box: my beloved priest is my representative. I place my priest there, but I am the one who absolves all their sins and impurities.

I, your Jesus, love all my children. They are all special to me. I love them equally. My child, explain to them all about my messages given to you. I repeat: do not be afraid about criticism. You are my chosen desire for my End of Times to help your Jesus. My Andorinha, tell my daughter Margreth that I thank her for the magnificent, arduous work done for my children, to teach my little ones about their Jesus. Carry on, my child, I bless you always and your loved ones. I will protect you always. Thank you for the love given to me and my Mother, and the kindness, help, given to your family, loved ones. Tell my other children there that I love them equally. When I died on the cross, my suffering on Calvary was for all my children. I didn't pick and choose any one. My unconditional love was for all of them. Open your doors of your hearts and come to me. I will come inside to be with you all.

Thank you, my child. Relay this message to my precious children. I love them unconditionally. I bless you all. Happy Mother's Day from your loving Jesus.

[Fernanda] *I love you, my Lord.*

My daughter, my dear Mother, she is waiting to converse with you.

[Fernanda] *Happy Mother's Day, Mãe².*

Mother Mary

My daughter, my Son's Andorinha, I am your Mother Mary, the Mother of your Jesus. My child, I missed our conversation.

My daughter, I want to thank you for the wonderful, ecstatic day yesterday, full of love at my daughter Francesca. My daughter, the testimonies were very prominent, delightful. The procession with all my children was a long way. I see it was your first time. Thank you for participating in my joy. It's things like this that are my hope to bring my children closer to me and my Son. My child, what a balm to my Son's heart and mine!

My child, I repeat to you, I am concerned about this country. Pray, pray. Ask all my children to pray for my Church, our holy pope, our priests and for what I have been asking you to pray.

My child, I know you have to leave for lunch.

I was listening to my Son's words. Yes, my little one, my Son and I will be with you and your loved ones. My daughter, I will converse with you later. I will be waiting patiently for you.

I bless you, your loved ones, your family, friends and all my children. Thank you for responding to my call. I, your Mother Mary, convey to you: happy Mother's Day to all my children.

[Fernanda] *Happy Mother's Day, dear Mother.*
