

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Come and visit Jesus in his tabernacle: it makes him feel free, not like a prisoner – he will alleviate your pains and concede many graces

Jesus Christ, Mother Mary

[Fernanda] *My dear Jesus, my dear Mother, I love you. I adore my Jesus. I need you, Jesus, in my life. I want to be with you always. My will is all yours. My Lord, you know what's in my heart. Thank you, Jesus.*

Jesus Christ

My daughter, thank you for coming here to adore me and keep me company, and my Beloved Mother. Thank you for all these hours, prayers, given to us. My daughter, I don't want you to fear coming here to me. You are protected, safe with me, your Jesus. Can you see my Mother's Mantle? She is there protecting you and your loved ones. My child, be in my peace. I will take care of you and guard you always. These hours spent with me in the tabernacle are very pleasing to me. I feel free, not like a prisoner. My child, my children have to know about coming here and the graces that I concede. Again, I repeat: I am alive here in this tabernacle, waiting for my children, to alleviate their pains, sufferings. I am a good listener to my flock, my people. Thank you, my little one.

My child, I have been listening to your prayers. I know exactly what you have been thinking: about going to Turkey with your sister, my daughter Isaura. I said to you before that I am providing everything for you.

[Fernanda] *Sorry, my Jesus, she wants to go this August. I have to answer her today, but Jesus can see – my Jesus knows my financial situation. I don't have the money for the deposit, ticket. Jesus, I feel to say no because I don't have anything to give as my deposit.*

My daughter, I say to you: you are going with my consent, my help. I am your Spouse, your provider.

[Fernanda] *But my Jesus, she doesn't have the 16 or 20 people, maybe 4 and she says she will take who can go. Jesus, maybe she should leave it for next year, but she doesn't want that. She will go even with 4. Thank you, Jesus.*

My daughter, why are you questioning? Why are you still doubting what I said?

[Fernanda] *Sorry, my Jesus, I apologise if I hurt my Lord.*

My little Andorinha¹, you're not hurting me, your Jesus. I love you, my loved one, my humble servant. I want you to go to my dear Mother's holy grounds in Ephesus. You will go with her. She will get the people. My daughter, never doubt me, your Jesus. Don't get disturbed by earthly things.

I am your Jesus, your God. Look at me in the monstrance. Fix your eyes on me. I am alive here for you, for my children. Feel the peace I am giving you now. Do you feel my presence? My child, I will never confuse you. I will never mislead you.

My child, thank you for relaying my message to my children. You were very excited, full of the Holy Spirit delivering my message. Your wish was to just talk about me. My child, do not get despondent, discouraged. On your mission, you will encounter a lot of this. They just want to hear what they want to hear, so my child, [now] you understand me and my Mother when we try to come to my children to convert them – their attitude, the response to us from some of my people, my lost sheep – but my child, persevere, never get discouraged. Do it for me, your Jesus, in my name, your Lord Jesus Christ's name.

My child, thank you for inviting me and my Mother for lunch. We had a big space to sit with my children. Thank you, my Andorinha. My child, my dear precious Beloved Mother, she is waiting for you to converse.

Mother Mary

My Son's Andorinha, thank you for the Rosaries said and the company tonight. I am your Mother Mary, the Mother of your loving Jesus.

My Andorinha, I want to convey something very important to you. I want to confide in you, my child. My child, my Son's humble servant, when I came to you for the first time, I said that I had a present for you, that I would reveal it to you. My little one, I have it for you. It's ready. Believe me, your Mother Mary. My Son and I have great, immense plans for you to help to bring my Son's and my children to come to my Son's mercy, to repent. My child, your mission entrusted to you from my Son, is very big. You are going to be my Son's messenger to the world. I don't want you to doubt that again. You are worthy of my Son's love and mine.

My daughter, today I want to say, explain exactly what your mission is all about. You are going to proclaim to the world all the messages given to you from my Son and me. You are going long distances, overseas. Do not worry about languages. Everything is under my Son, your Jesus' control, in his hands. My child, you will have a representative chosen by my Son to follow and accompany you. Yes, my daughter, you asked me now to give you a sign. Yes, it's me saying to you at this moment in the shrine, the time is 03h52, my child, my Son is preparing everything. You have to help me and my Son. Time is running short to convert my children's souls. They must come to my Son's mercy. Thank you, my daughter for your will given to my Son to help him. My child, I say again: you have a big responsibility in this mission to bring souls to my Son's Kingdom. My daughter, I want to say again: do not worry about what has been promised to you – your finances are solved, and our son Frank's. He has already found his path in life. The financial help is here as well. He is going to start now on his new venture. Then, my child, your concentration will be only on your mission, your task.

My child, I was listening to your conversation with my Son. My child, this August, you are going with my daughter Isaura to visit me in Ephesus, Turkey. I will be waiting for you there. I will embrace you.
