

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Jesus Christ

[Fernanda writes] *Jesus woke me up at 22h37.*

My daughter, it's me, your Jesus. My daughter, it's me, your Jesus...

My little one, I want to convey to you, my daughter, my special one, that I love you and I am taking care of you. I am your God, your Jesus. My daughter, I chose you for my work. I have a big mission entrusted to you. My child, you are going to help me with this mission to save souls, my people, my children.

My little one, I am preparing everything for you, to start your big journey for me, your Jesus. My daughter, I want to convey this to you and to say to you that your finances are done, finalised. My child, your struggles are over, your battles with money are ending. My daughter I cannot leave you in the dark or forsake you. I asked you to leave your work for me, your Jesus. My child, you are mine. Your will given to me is the most beautiful gift you can give me, that any of my children can offer me. My Andorinha¹, I woke you up. I have to say, to tell you all of this, how much I love you. You are going to be my – and my Father's, the Holy Spirit's and my Mother's – joyous hard worker for my End of Times. My daughter, I chose you in your Mother's womb for me. I am pleased.

I repeat my words again: I even chose your beautiful name. In heaven, you are called "my humble servant". My daughter, I am so excited. I had to call you to convey this message to you. My child, what a balm it is to sit with you and to see your love for me, your kisses, the singing. My child, my Mother and I, we want, we wish to hear more often the singing to our pierced hearts. I have said many times that you are a balm to our hearts. Never doubt your Jesus' words to you. You are so humble when you converse with me and my Beloved Mother. You are our little child. Your conversations with us are so sincere, like a child. That's how I want my children to be with me. My daughter, I always smile when you converse with me and my Mother. Thank you for your time to be with me, for your time consumed. When you keep me company, visit me at my tabernacle, my heart also jumps with joy, like yours now. My child, the hours spent with me will be rewarded.

...private message removed...

My little one, I had to tell you this. Keep it to yourself.

[Fernanda] *My Jesus, I thank you. I, your humble servant, I don't have the words to say to my Lord, my Jesus. Thank you is not enough. My Jesus, I thank you for revealing this to me. My Jesus, keep me*

¹ Portuguese to English translation: Swallow

always safe, pure, humble and meek of heart like you when I spread, expand, your messages. They must see my Jesus in me. I want to serve my Lord in humility, humbleness. Help me, my Jesus, to be this way always.

My child, I know your heart's desire. My child, my precious Beloved Mother, she will be your guidance and also your teacher and protector. She will lead you in the way to save my children. You are going to be our soldier, warrior.

My child, I want to convey that my Father in heaven is here with me. He says thank you for accepting this and for your will given to his Beloved Son Jesus Christ.

[Fernanda] *My Jesus, I say to my Father in heaven: thank you. Who am I to have this love, privilege, a sinner like me? Father, I will give my best. My will, all that I am, I give to your Beloved Son, my Spouse, to carry my mission, my task for the glory and honour of my Lord, my God.*

My Father is overwhelmed by your love. He says "Thank you, my Son's Andorinha."

My daughter, about the name, Andorinha, it's a special name from me, your Jesus. It's appropriate for you. You are my little swallow. My Mother, Father, Holy Spirit, we enjoy calling you "Andorinha".

[Fernanda] *My Jesus, I thank you very much from the bottom, depths, of my heart. I will serve my Lord with all my heart.*

My child, thank you for this time spent with your Jesus of Nazareth. I give you my peace, my peace I give you, and blessings to you, your loved ones, family and to the world.

I, your Jesus, your God, your Lord, called to convey this message. I love you, my child.

[Fernanda] *I love you, my Jesus.*
