

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Jesus Christ, Mother Mary

[Fernanda] *My dear Lord Jesus, my God, my Saviour, I love you very, very much. I belong to my Jesus. Thank you for everything, for your immense love [given] to me, to my loved ones, my family and all the world. My dear precious Blessed Mother Mary, I love you and want to say thank you for all the blessings. My Father, my Holy Spirit, I thank you for the blessings and love and protection. I thank you.*

Jesus Christ

My daughter, thank you for sitting here with me, my Father, the Holy Spirit and my precious loving Mother. Oh my daughter, thank you for your love today towards us. Your heart desires our love. You feel like writing all my messages to relay to my children. You are going to do very well.

My daughter, you want you to ask me something. Today your heart is very troubled. Tell me, your Jesus.

[Fernanda] *Jesus, I was watching the programme about _____, about what he did, the killing of his family and that he is going to die on death row. He says he is sorry. Watching those children now, they are adults, all that family, my heart was pounding, aching for him and that whole family. Thank you, my Jesus.*

My daughter, I know, I see everything. My child, I know that my son _____ is sorry. He repented and he has been asking my Father and me for forgiveness. Yes, my child, what he did was a terrible mistake. My adversary is always destroying families, always succeeding in destruction between my children. I am very pleased with my children for their forgiveness towards my son _____. I will bless them because they forgave him in the same way that I forgave my enemies. My other children can't forgive. Pray, pray for them. Do not forget to pray. My child you want to know if I have forgiven my son _____. My child, he came to me with a contrite heart a long time ago. My child, pray, pray for him. I made you watch that programme. I know you never watch television anymore because I want you to pray. Pray for this entire family.

[Fernanda] *My Jesus, can I ask my Jesus, is he going to die on death row or is he going to be saved from that? What does my Jesus want me to pray for? For him to be free or for his death? Thank you, my Jesus.*

My child, I admire you, your courage, humility, sincerity and the caring for my children. My child, I will save my son _____ from death row. I want you to pray for his release, for him to come to me in repentance. His heart is ready to come to me. My child, I am a forgiving, merciful Lord and I did ask my Father for mercy on my son. My heart is very touched by little children and my children with forgiveness in their hearts. I will bless them.

[Fernanda] *Thank you, my loving Jesus, I love you. My Jesus, can I ask my Jesus something? Your daughter Goretti asked me to pray for your son _____ and to ask you about him wanting to get a tattoo on his arm because of his friend who died while he was driving with him. He wants the tattoo to be a rosary and a cross in his memory. Your daughter Goretti said that she is not happy about that. Please my Lord, if it's my Jesus' holy will, help your daughter and your son _____ with this situation. Thank you, my Lord, my Jesus. I love you.*

My daughter, thank you for asking this question. It pleases me. My daughter, my son _____ is going through a difficult phase.

My son _____, I am your Jesus, your God, your Lord. I created you. I gave you the Breath of Life. You are my special son. I want to thank you for always praying and for loving me and my dear Mother. I want to convey to you that I, your Jesus, I am not happy or keen on this whole situation. I gave you a clean, pure body created by me, your Jesus. My son, keep it that way. The memory of your friend Dean, my son, is in your heart. He is in a good place. He is in my care, my love, my peace. He is watching over you. I, your Jesus, come to you to convey this message of love and care to you. I will always protect you. My Mother's Divine Mantle will be with you, my child, and your loved ones. Always keep your faith and love for me, your Jesus and my dear Mother. Thank you, my Son. I, your Jesus love you very much.

[Fernanda] *Thank you, Jesus.*

My daughter, my Blessed Mother, she is here waiting for you to converse with you.

Mother Mary

My daughter, thank you. I am your Mother Mary, the Mother of your Jesus.

I was listening to your conversation between you and my Son. Thank you for all the care towards our children. My daughter, it pleases me – your concern. Your heart is aching like my heart.

My Son's Andorinha¹, my daughter, I see today you have been very occupied. You got all your books. I like them. It's all about my Son. You are going to touch my children with all this writing.

My child, I will converse with you later. I know you are going to visit my daughter Alice, that she invited you. I permit you to go. While you are there, your conversation is all about my Son Jesus and me. I thank you, my child, for that.

I, your Mother Mary, give my blessing to you, your loved ones, your family.
