

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7-8

### Jesus Christ, Mother Mary

---

[Fernanda] *My Jesus, I love you, I adore you, I praise you, my Spouse, my Saviour. My dear Mother, I love you. I adore you, my Father in heaven, my Creator. My Holy Spirit, I love you, the light of my life, my guide in my life. I thank you for everything, I adore you all. My queridos<sup>1</sup>, I love you all.*

### Jesus Christ

My daughter, thank you for all the praises [given] to us. Thank you for sitting here to keep me, my Mother and the Holy Spirit company, we love you, my Andorinha<sup>2</sup>. My child, thank you for today. You have been occupied with all my messages. I am pleased with your effort to relay my messages. You are doing great work for me.

Today, my Divine Mercy was amazing, lovely, perpetual love into my heart and my Blessed Mother's. It was incense into our hearts, a balm to us.

[Fernanda writes] *I was fixing my eyes upon Jesus' Sacred Face. It was beautiful.*

Thank you, my child. I heard everything, your loving kisses, your whispering of beautiful words to me. Yes, my Sacred Face changed for you. My child, one day, I will synchronise my lips and my eyes for you. My dear Mother and I will manifest ourselves to you. My child, remember, you are very close to us now, to our hearts. I will bestow my love upon you. My child, on your mission, you will be able to see us – myself and my dear Mother. Remember, the Holy Spirit descended from heaven upon you. My daughter, you are very blessed with all the gifts of the Holy Spirit. My daughter, what an honour to receive all the gifts of the Holy Spirit, the Holy Trinity. My child, do you realise, understand what you received? Yes, my child, because you are very humble, simple, pure of heart, you don't want to show yourself with glory. I thank you for that, your humbleness, because you know in your heart that all the honour and glory belongs to your God forever and ever. My child, I repeat, you are very loved by my Father, the Holy Spirit, me and my Mother. Your acceptance of your mission is very pleasing, appreciated by us in heaven.

My child, my Father in heaven is here. He asked me to say to you, "Thank you, my Son's Andorinha. I, your Father God, say thank you for the gift of yourself to my Son Jesus. I, your God the Father, will be waiting and watching in heaven and will send all the help to you for the great work to help my

Son Jesus for the salvation of souls. Thank you, our little Andorinha, sparrow. I bless you and your loved ones.”

[Fernanda] *Thank you my God the Father. I am not worthy of this privilege of such magnitude. It is such an honour. My Father God, I, your Son's humble servant, will give myself to my Jesus and do my best to be a good messenger of my God, my Jesus. Thank you, my Father God.*

Thank you, my child. I, your Jesus, convey my Father's message given to you. My daughter, thank you for your love given to me, my Father, the Holy Spirit and my Mother. My child, I see, I hear, I know everything about you and all my children. My child, our conversation is like a soothing [balm] in my heart and my Mother's. Thank you for all the times that you kiss me and say, “I love you, my Jesus.” My child, I know how difficult it is for you, with your vision. Do not fear anything. Your vision is going to be restored by me, your Jesus.

[Fernanda] *Thank you, my Jesus. I love you.*

My daughter, my Beloved Mother, she is here waiting to converse with you. She has been waiting patiently.

### **Mother Mary**

My daughter, I am your Mother Mary, the Mother of your Jesus. I come to you to convey this message to you. I have been waiting for you. It's like a waiting list to converse with my little one. Thank you for sitting here with me, my Son and the Holy Spirit.

My daughter, I have something very important to reveal to you. I, your Mother Mary, have this to convey, relay to you from heaven, from the Father, my Son and the Holy Spirit. My precious child, I have to say to you that you are very special to us. You are my Son Jesus' chosen desire to accomplish an important mission entrusted to you by my Son Jesus. This mission is going to be very arduous, but very well established, according to my Son's will. You are a chosen one to be in this special, rare mission. You are doing to be with me on this task, a very prominent task. Heaven rejoices about you – how grateful they are to you.

My child, your wish will be granted for you to see my Son's glory. My Son will manifest to you in conjunction with me, your Mother Mary. My child, this happens very seldom. My Beloved Son has prepared you and purified you all this year to be his servant, his worker for his dry fields. Oh my child, the land is very dry: a lot of weeds have to be weeded. My child, I say it again, you are very special. At this moment in heaven, we are all in awe of love towards you. Very soon, we will move into our beautiful home, then everything will start moving for your mission. Prepare yourself, get everything ready for my Son's messages, my Son's messenger for my Son's Second Coming.

[Fernanda] *Thank you, my Beloved Mother. My Mother, can I ask properly, if my dear Mother wishes to answer me – my dear Mother, my mission, how is my mission going to be? Am I am going to prayer groups only or [must I] give my messages about my Jesus' children to them? Sorry, my Beloved Mother, maybe I am not supposed to know yet.*

Oh my Son's Andorinha, you are entitled to know about your mission. I will explain to you, my daughter. You are going to be a messenger of your God. You are going with me, your Mother Mary, to proclaim, announce that my Son's Second Coming is near. All the conversations with my Son and you have to be revealed, relayed to our children, even to the ones said to our children, given from my Son and me to my children. They have to be relayed to them. You are going all over the world

into my Son's churches, temples, to convey and explain to them how my Son wants to save his children. You are going to be a great missionary, a messenger of your God for the End of Times. What a great mission ahead of you, our little, small, shortie, cute one with a big, huge heart to convey all that my Son has given you.

My child, can I say something to you? My child, you are going to surprise a lot of my Son's children. Do not fear, do not be afraid of what you are going to encounter. The Father, my Son, the Holy Spirit and I, your Mother Mary, will be with you to protect you and to guide you. This time, our protection is [going to be] very big. It's for my Son Jesus Christ, for his honour and glory and for the salvation of souls, our children. Thank you, my daughter, for your patience, love and understanding, for spending all these hours with my Son, the Holy Trinity, and me.

I bless you, my child, and your loved ones and all my children. Thank you for responding to my call.

### **Jesus Christ**

My daughter, I, your Jesus, say thank you for the time consumed, given to me and my Mother. My child, I thank you for your commitment to always sit with my Mother and me. My child, I give you my peace, my peace I give you and your loved ones

...private message removed...

I give my peace to the world, to all my children. I love you, my child and all my children. I your Jesus, your God, the King of the universe, I am your Spouse. You are my bride. Next time, I will place a ring on your finger.

[Fernanda] *Oh, oh, my precious Jesus, my querido<sup>3</sup> Jesus, I adore you. I give you glory and honour for all eternity. Thank you, my Jesus, for always making me smile and for my Lords' sense of humour. Oh my King of Kings, Lord of my Lords. I thank you. Sua bênção<sup>4</sup>, my Father. Sua bênção, my Jesus. Sua bênção, my Holy Spirit. Sua bênção, my Mother Mary and all the angels and saints. Thank you, thank you. ♥♥♥♥xxxxxx*
