

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7-8

### Jesus Christ, Mother Mary

---

[Fernanda] *My Jesus, my Saviour, my fortitude, my strength in my life, I adore you. I praise you. I love you, Jesus. I thank you, Jesus, my Father, my Holy Spirit and my dear Mother. I adore you. I praise you. I love you. I thank you for everything I have received from my Master, my Holy Spirit and my Mother. Thank you – your humble servant.*

My daughter, my Andorinha<sup>1</sup>, I, your Jesus, came to you to say thank you for sitting with me, my Father, the Holy Spirit and my Mother. I want to say thank you for your love, for the beautiful, peaceful day. Thank you for the Mass and for tonight. My child, I say thank you for your obedience to me, to the Holy Spirit. My child, I was very thrilled for my son priest and the lay people and all my children coming to my church. The healing and singing were very touching moments. My child, your heart was entwined in my love. I was very pleased. My Holy Spirit was infilling you. My child, remember, you received all the gifts. From now on, you are going to notice, feel them. All your wishes were granted in my name.

My child, I want to say thank you for loving and hugging my child Michelle. I sent you to be next to her. Her heart was very sore, in pain. My child, I wanted her to feel your joy and peace, your loving heart. She is very troubled. Thank you for inviting her to my Mother's holy grounds. My daughter, tell my daughter Michelle that I will help her. I will give joy in her heart. I will heal her pains. She must not fear. I, her Jesus of Nazareth, her God, will give her peace. She must just let me into her heart. My Beloved Mother's Divine Mantle will protect her and her loved ones. She must give all the pains, heartache to me and I will place them in my heart. I will take care of all her sufferings. She must trust me. I am a loving God. I love my children. Tell my child that I love her very much. Thank you for the prayer said to me and my Mother. I, your Jesus, your God, come at this moment to convey this message to you. My child, relay this message.

[Fernanda] *Thank you, my Jesus.*

...private message removed...

[Fernanda] *I want to work for my Lord. I want to serve my Jesus. Do I have to go back to work, my Jesus? I am sorry, my Jesus. I don't know what to do any more. Thank you, my Jesus.*

Oh, oh, my Petal, our joy in heaven. I know how much you love me, my Father and the Holy Spirit. I know you are well aware of your mission your task. Here in heaven we are still celebrating your gifts,

your mission, your task, [giving] your will to me. My child, I know your heart. My Petal, why do you fear all this?

[Fernanda] *Sorry my Jesus, but every month is a battle for me to pay the rent, the bank. Neotel is still not paid. I feel so bad, embarrassed all the time for asking our son to help me. My Jesus knows everything, all of this, better than me. My Jesus, is there anything that I need to do or something my Jesus doesn't like that I am doing that hurts my Jesus?*

My daughter, why all this battle inside you? Why all this worry? My daughter, I understand all this anguish that you are going through. My child, let me be clear to you. I, your Jesus, your God, I love you very much. I can't permit to see you in this anguish. My daughter, my chosen desire for my fields, for my work, there is nothing that you do that hurts me. No, my child, I, your Jesus, purified you, everything that's in you; there is nothing that is blocking you. I, your Jesus, love you. I said your mission is ready for you. The celebration took place. My Holy Spirit descended upon you to infuse you with all the gifts for your mission. My child, I, your Jesus, come to convey to you at this moment, do not worry about your money, your finances. My child, soon, now, now, it'll be placed on you. You are going to be able to do your task, free of the earthly things. My child, I know what you are going through. It was part of your last purification to test your patience.

[Fernanda] *But, my Jesus, even before this test, you knew all about me, about my patience. My Jesus knows everything, even when one of my hairs is going to fall out. But my Jesus, I accept everything from my Jesus. My Lord, I want to serve, work, to be your humble servant. My will, my entire being, my everything belongs to my Jesus, the Holy Trinity and my dear Mother. My Jesus, do I have to pray or make a novena for this intention? My Jesus, I love you. My Jesus, I want to start my mission for my Jesus, to help my Jesus. Jesus, I'm sorry if I hurt my Jesus. Pardon me, my Jesus.*

Oh my little one, I want to say thank you for everything. See, the Holy Spirit is already working through you. My Andorinha, you didn't hurt me. My child, thank you for asking me all these questions. My child, you are not going back to work. You are not going to need our son's help financially. I am your provider. Be in my peace. I am your Spouse. I take care of my bride. My little one, I, your Jesus, prepared everything for you.

My daughter, my precious Mother, she is here to converse with you.

### **Mother Mary**

My daughter, I am your Mother Mary, the Mother of your Jesus. I came to you to convey this beautiful message with peace towards you, my Son's predilected Andorinha. My daughter, our jewel in heaven, I, your Mother, want to say to you, our special little one, why don't you just leave everything with my Son? My child, my Son chose you. He knows you don't have financial help, that you don't have an earthly husband to support you. My Son knows that he has to take care of you and your loved ones. My child, can I ask you a big favour? Just leave it now, I mean now, in my Son's hands. My Son knows what he is doing. He knows your financial position. Soon you will see the reason why. From this episode, you are going to teach my children patience. In the same way my Son and I have to have patience to wait for our children. My child, I am your Mother Mary. Remember, my Son and I arranged for you to be with me. I will guide you on your mission. I will teach you. My daughter, I want you to rest tonight with your heart in my love and peace. I will come during your rest to converse with you.

My child, I am your loving Mother Mary. I bless you and your loved ones, family, friends and all the world. Thank you for responding to my call.

## Jesus Christ

My child, I, your Jesus, I was listening to my Beloved Mother conversing with you.

My child, tell me, your Jesus, how you are feeling now. Your heart is lighter.

[Fernanda] *Thank you, my Jesus. I feel much better, my Lord. I am sorry for giving this trouble to my Jesus.*

Oh my little Petal, you didn't give me trouble. You only please me with your open, sincere clarity, your sumptuous heart. My child, we are all here with you. You are just smiling with all your little worries and have the courage, sincerity of heart. I know you are very preoccupied not to hurt me, us. My child, don't you know that I know everything about you and all my children?
