

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7–8

### Jesus Christ, Mother Mary

---

[Fernanda] *My precious Jesus, my Father, my Holy Spirit (my Pentecost), my dear Mother, I thank you for everything. I love you all. My dear Jesus, I love you, I adore you, I glorify you, your name above all names, my Saviour. I thank you.*

### Jesus Christ

My daughter, thank you for sitting here with me and my Beloved Mother. My daughter, what a beautiful day full of joy, peace and love between my children. My child, thank you for your patience to take my children to see my precious older children. It was a beautiful gesture in conversing with them. My child, they needed that. Despite their lack of memory, you, my children, can always show, give them love. Do it more often.

[Fernanda] *Thank you, my Jesus.*

My child, I was very pleased today with you going to my Holy Mass. Pentecost day: My child, that was the day my Apostles received the Holy Spirit. My child, remember, you also went to the upper room when you visited my Holy Land. My child, I was there, present. So too, my little one, today you have received my Holy Spirit with more and more gifts. My Holy Spirit will confirm with you again, he will converse with you about it. Thank you, my child, I see today that you wanted to share with my other children about your gifts, about being a messenger of God. My child, open your heart, tell them. Do not feel that you are being vain, in *vaidade*<sup>1</sup>, about your gifts, about our conversations. I understand that not all of them hear and receive this with a good heart, [without] jealousy. I, your Jesus already warned you about all of this. But my child, explain to them that you're not doing it with *presunção*<sup>2</sup>, you are doing and saying what's been given to you for your mission. All day I saw that you wanted to talk about me and my Mother. I saw all that. Next time, when your mission is in the clear, in the air, you are going to talk freely about it.

My child, today you are sitting earlier with me.

[Fernanda] *My Jesus, can I ask my Jesus something? How was my Jesus' day today? Did my Jesus suffer a lot?*

Oh my child, thank you for asking that question. Yes, my little one, today, all over the world, I suffered a lot because of my children's sins committed towards me and my Mother. Yes, a lot of my

children treated me badly. My child, there is no more respect in my Church, my Temple. My child, I have asked you many times to pray about my Church, for it not to go into decay. Oh my child, pray. You have to start praying for this and my beloved son the holy pope and all my son priests. Thank you, my child.

My daughter, my Beloved Mother, she is waiting for you to converse with you.

### **Mother Mary**

My daughter, I am your Mother, the Mother of your Jesus. I came at this moment to say thank you and to convey my message to you.

My child, [when] your mission, your task is ready for you, then you will have to move from this place. My child, I know you are doubting what I am saying because it's already been said for too long and nothing has happened yet. My child, I say to you that my Son always has his reason for that. My child, soon, I say again, soon the road, the way will be open for you, like a [bolt of] lightning, without you expecting it. In the same way, when my Son and I came to converse with you, you didn't expect all this. My child, see now how far and how strong you are with all your messages from my Son and me. My child, I want to say to you that you are our hope for my Son's messages, for his Second Coming. Trust my Son, believe my Son's words, his messages.

My child, my little one, I leave you in peace. I bless you and our sons, loved ones, family, friends and the world. Thank you for responding to my call.

[Fernanda] *My Jesus, my dear Mother, thank you.*

### **Jesus Christ**

My daughter, I am your Jesus. Be in peace. I love you, my child. I thank you for your time spent with me and my Mother.

My child, I say to you that when you move from here, it's going to be to our place chosen by my Beloved Mother. Do you understand, my Andorinha<sup>3</sup>, you are going to fly to that special place. Trust me, your Jesus, your Spouse. I love you, my child. Your heart is still sore, but not so much.

Be in my peace, my love and your loved ones, your family and all my children. I am your Jesus of Nazareth coming to you to convey this message to you and our son \_\_\_\_\_. Be in my peace and love.

My child, I will be waiting for you at the shrine in my tabernacle. My child, tonight, you are going to sing and dance for us there. My angels and saints are waiting for that.

[Fernanda] *Thank you, my Jesus, I will be dancing and singing to them. Thank you, my Jesus, my life. I love you very much, my Jesus. Sua bênção<sup>4</sup>, my Jesus. Sua bênção, my Father. Sua bênção, my Holy Spirit. Sua bênção, my dear Mother. Good night. I, your humble servant, I love you all.*
