

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

When you give your will to God, be at peace as the Holy Spirit guides you on the right path and Jesus does a cleansing of your environment

Jesus Christ

My child, I want to say thank you for this special time spent with me, my Mother, my Father, the Holy Spirit, the angels and saints.

My child, I want to say again, do not worry about petty things, earthly things. I want you in peace, total peace, free from this world, earthly things. I have been purifying you all these years. There are certain places that I have been taking you away from – they are no longer for you. You have the knowledge already of which ones I have been placing in your heart, where you are not supposed to go or supposed to go. My child, yesterday you were saying to my children that you are not comfortable going to the place you used to go to. Yes, my child, you were right. I did a cleansing in your life, certain people. You don't need them to hurt you, to degrade you, to oppress you. Your heart knows how. You feel in peace. Do not worry about gossip and criticism because you don't want to go there. My child, I did this to you. I want you to feel in my peace. You don't have grudges or anything in your heart against anyone. Your spirit knows exactly what is wanted from you – the Holy Spirit of wisdom is with you to teach, to help, you with this.

My child, we are not alone, we have been interrupted.

Thank you, my child for this time spent with us. I, your Lord, your Jesus, love you. My child, be in my peace, my love. I bless you and your loved ones. Thank you, my child.

[Fernanda] *Thank you, my loving Jesus, my precious Mother, my Father and my Holy Spirit.*
