

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Jesus Christ, Mother Mary

[Fernanda] *My Jesus, thank you for the lovely night. Thank you for everything. Thank you, my Father, my Holy Spirit and my Mother for everything in my life.*

Jesus Christ

My daughter, thank you for sitting here with me, my Mother, my Father and the Holy Spirit. My child, what an awesome day today, full of love and the Holy Spirit, the Holy Trinity. I, your Jesus of Nazareth come to you at this moment to convey a message of love and joy to you.

Oh my Andorinha¹, what a beautiful Mass said by my beloved son priest Father George, my predilected son. He is my special son with a pure, sincere heart. I want to convey this message to my beloved son priest. I, his Jesus, am very pleased with his wonderful work done for my sheep, flock, for my Church. I infilled him with the Holy Spirit. I was very touched by his way of explaining to my children about me, the Holy Spirit and the Holy Trinity. My beloved son priest is going to be a great teacher for my temple, for my flock. I will bless him always for his great work. I will convey something to him in time to come. Thank you, my special son.

My child, I was in awe of love for my children tonight, for their love given to me and my Mother, to my children Anthonio and Madalena, for consecrating their home to my Mother's Immaculate Heart and my Sacred Heart of Jesus. I will bless them for this gesture towards us. Thank you, my precious jewels for this act of love and reparation to our pierced hearts, pierced by my sinful children. I, your Jesus, your God, say thank you. My child, I also want to say that the singing and dancing tonight was so appreciated by me and my Beloved Mother. What a joy to see my children in unity, love and understanding of one another. It's moments like these that bring happiness to our hearts. Thank you to all my children. I love my children very much. What a precious world it would be if my children were like this, always bringing joy to us. My child, the joy in the Holy Spirit, the guitar – [after] all the sadness in their hearts, they went home with a joyous spirit in them.

[Fernanda] *My Jesus, I want to say thank you for this gift of joy bestowed upon me, your simple child, for the privilege of the gifts of the Holy Spirit. I want to say many, many times, thank you for all of this. My Holy Spirit, make me always humble and meek of heart like my Jesus.*

My daughter, I want to say thank you for your love given to me and my precious Mother. My child, my dear Mother, she has been waiting for a long time to converse with you.
