

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Jesus Christ, Mother Mary

[Fernanda] *My dear Jesus, my dear Mother, my precious Divine Father God, the Holy Spirit, I thank you. I love you very much. I adore you, I praise you, my Jesus Christ. I thank you very much for everything in my life, my loved ones, for the protection love, unity and understanding, for loving me and my loved ones, my family and the whole world.*

Jesus Christ

My daughter, thank you for all the praises bestowed upon us. Thank you for sitting here with me and my Beloved Mother. My little one, I am very pleased about today. Thank you for being obedient. Thank you for explaining to your brothers and sisters in Christ about me and the Holy Spirit, and for the sharing of my messages with them. I know, my child, when you tell them about your gifts, your messages received from me, you are not saying it with pride, you are not saying it to have the glory for yourself. You want to make it clear to my children that everything comes from me, your Jesus. My child, I see, I hear everything. Do not fear that. I, your Jesus, see your heart. My little one, my Mother and I know your humility, humbleness, your respect. You treasure all your gifts with love, knowing that all comes from me, your God, your Lord. My little one, when you speak about my messages from me to you, do not be afraid. Be confident to say, to explain that your gift given to you from your loving Jesus is called "Conversations with my God, my Jesus, and my Mother Mary and the Holy Spirit". You must say it like this. Don't fear that you are going to be mocked or criticised. This gift has been given to you for a purpose. Use it, my Andorinha¹.

My child, my Beloved Mother, she is waiting to converse with you.

Mother Mary

My child, my Son's Andorinha, I am your Mother Mary, the Mother of your Jesus. Oh, oh, my little one, thank you for carrying me, for taking me with you to my church. I was not so heavy, hey?

[Fernanda] *No, my precious, dear loving Mother. I could carry Mãe² all the time. It gives me joy and pride to show all your children how much I love you, my loving Mother.*

Thank you, my little one. It was a very auspicious night tonight, full of love. Do you know, my child, that the singing always soothes my heart and my Son's heart. I saw that all day you were occupied in preparing all the songs for tonight. I thank you for the procession to end my Rosary month. I want

my children to carry on praying the Rosary as usual, not only for this month of May, but all year through. It's necessary to pray, pray. I, your Mother Mary, I ask you again, again, please, tell my children to pray the Rosary, especially for my Church, for the holy sanctity of my beloved son Pope Benedict XVI and my beloved priests, [especially] my insolent ones.

My daughter, gather everything, all our messages given to you from my Son and me because your mission is on its way. My child, you have so much on your plate to fix and to prepare to get ready. Your task is a very prominent one, very impartial. I am your Mother Mary conveying to you to be on your guard, alert, for your mission. It's going to come like lightning, without you expecting it – something beautiful, our warrior, our soldier to combat [the enemy] – your mission for my Son to help to bring souls, our children, to my Son's Kingdom, preparing them for my Son's Second Coming.

Thank you, my child, for this special time of our conversation. I, your Mother Mary, come to you to convey this message to my Son's Andorinha. I bless you and your loved ones, family, friends and all my children. I love you too, my daughter. Thank you for responding to my call.

Jesus Christ

My Andorinha, I, your Jesus, your God, the King of the Universe, I want to convey this message of love and gratitude to you and my children for the love that I, your Jesus, and my Beloved Mother, received from you and all my children of the prayer group, the praise and worship and the special friendships. My children, when you are gathered, when you, my sheep, my children are gathered and the conversation is all about me and my Mother, and the joy you have in talking about my sense of humour – yes, my child, I, your Jesus, and my Beloved Mother, when we are amongst children like you, we are very happy and we have a sense of humour, my child, especially when you tell them about dancing and singing for me and my Mother. Yes, we join with you in that because it's dancing and singing with a pure, clean spirit, heart, with love towards us – we enjoy that.

My child, I want to say thank you for telling them about us. I, your Jesus, your God, your Lord need this kind of affection for our painful hearts because of so much atrocity infiltrated into our hearts. Oh my child, this world needs a lot of reparation, a lot of reconstruction, but only prayers, Rosaries, repentance and Confessions from my children can help this chaotic world. My child, I have been telling you this all the time. You are my hope to go to prayer groups and my temples, my churches. Your task involves a lot of work. I, your Jesus, and my precious Mother have been preparing you in baby steps for your arduous work.

I, your God, your Lord, want to give you my peace, my peace I give you and your loved ones, family. Have a good night's rest. Feel my love, my Andorinha, and my Father's, the Holy Spirit's and my adorable Mother's, *Mãe's*.

[Fernanda] *I love you, my Jesus.*

[Fernanda writes] *I was kissing my Jesus and touching his holy lips and mouth³, saying, "I love you, my precious Jesus." His whole Sacred Face changed so beautifully, even his skin colour was so beautiful.*

[Fernanda] *I love you, my Jesus. My heart entwines with so much love for my God, my Lord. I can't see myself living now without this beautiful love that I have for my Jesus. Thank you, my Lord, for everything.*

³ Referring to touching a blessed image of Jesus' Sacred Face.

[Fernanda writes] *His beautiful, precious lips started opening and from then, I see them getting thicker, then it's like blood and water coming out.*

[Fernanda] *Oh my Jesus, thank you. Sua bênção*⁴.

My Andorinha, your eyes have been burning all day because you were writing my messages. Do not fear your eyesight. I will restore it. I know it's difficult for you to see, but you don't give up your hours to sit here with my me and my Mother. Even your back, the position that you sit in, you don't complain. I thank you for this sacrifice, this love for me and my Mother. My child, go now in my peace and love to your *palhinhas*⁵, little nest.

I bless you, I love you, my daughter.

[Fernanda] *Thank you my Lord, I love you, my Jesus, my Lord of Lords, my King of Kings, my Saviour. Thank you for the pains that you endured for me on Calvary, in prison and on the cross. I praise you, I adore you, my Beloved Spouse – I, your humble servant.*
