

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7–8

### Jesus Christ, Mother Mary

---

[Fernanda] *My dear Jesus, I love, I adore you. I praise you for all eternity. I thank you for everything in my life. My dear Mother, I thank you for the love, patience, understanding of your children. I love you, my dear Mother.*

#### Jesus Christ

My daughter, I, your Jesus, love you too. My little one, thank you for your time spent here with me and my Beloved Mother. My child, what a precious day with all my children. Thank you for inviting me and my Mother for lunch. My child, you spent the day thinking about me, your Jesus. You wanted to share more and more with them about my messages. Don't get too despondent when you encounter these situations. I see you took your book away and put it back in your bag. My child, sometimes there is hypocrisy and jealousy, which you are going to encounter your mission, but, my child, I will be with you to help you, to encourage you, to give you strength. Do not be disappointed. You are doing very well. My child, I say to you again: everything comes from me, your Jesus. I am your Lord, conversing with you. Do not doubt that.

My child, I see that you managed to pay your Neotel phone and credit card account – I did it for you. My child, do not fear about your future. I said that I will provide for you. I want to convey again to you that your mission is almost ready for you. Your life will change now for the better. You are going to start a new episode in your life, a new beginning. My child, my hope is on you to help me with this, to bring souls to me, to bring my children to my merciful heart. My unfathomably divine heart is waiting for my sheep to come to my church to receive my Precious Body and Blood, to come to Confession. I, your Jesus, am waiting for them, to receive them in my loving arms.

My child, today you are feeling very tired. You want to rest. Your eyes are closing, they are heavy.

My Andorinha<sup>1</sup>, my precious Mother, she is waiting to converse with you.

#### Mother Mary

My daughter, my precious Son's Andorinha, I am your Mother Mary, the Mother of your precious Jesus coming to you to convey this message with a very concerned heart.

I, your Mother Mary, love all my children. There are no favourites. My children are all special to me, to my dear Son. I want to confide to you my most painful pain – it hurts so much. My child, my heart

is pierced, worse than with a lance. I am very concerned about this world, the whole world. South Africa is my main concern. I have said to you many times that my Son's hand is getting too tired. I have no more words to ask my dear Son to give more time to my children. My Son is very compassionate, merciful and forgiving towards our children, but my children turn a deaf ear to my Son and me. My child, can you pray and ask my Son Jesus, whom you love very much, to extend, expand, give more time to the world. My child, I, your Mother Mary, come to you at this moment to ask you this favour for me, your Mother, *Mãe*<sup>2</sup>. My child, my Son loves you very much. My Son Jesus has something very special to give you. He is also waiting for your mission, for you to start. Pray, pray without ceasing to my Son for this cause. Pray with me to my Son.

[Fernanda] *Sorry, my dear Mother. I love you. I want to alleviate my dear Mother's pains, sorrows. Can my dear Mother please help me with this? My precious Mother, Mãe, how do you want me to pray with you?*

My child, very simply, you sit down and you call me. I will be with you always. We will ask my Son for compassion, forgiveness. We will pray the Rosary together for this intention. Oh my child, my Beloved Son is giving the world signs all the time. Our children ignore me and my Son. My child, I repeat, you are going to go to a lot of prayer groups to help my Son. You are going to be my Son's messenger to all the world. My child, never doubt your task.

My child, I see you are getting tired.

My child, I have something to convey to my daughter Celeste. Tell her everything is in my hands, my control. She can't do it on her own. I am taking it to my Son to solve. My Son is her guide, her direction in life. She must just let him solve it for her. He is taking care of everything, preparing everything, putting the puzzle pieces together in order for her to carry on.

### **Jesus Christ**

My daughter Celeste, I want to relay this message to you. Do not worry, do not panic. I, your Jesus, will provide, will explain when the time comes. My Mother and I will be with you. Oh the preparations are taking place. The knots have been taking their toll, they need to be loosened. I say to you everything has been placed in my holy hands. Thank you, my child, for all the praises and worshipping, and to all in my prayer group, my sheep, my flock, my precious jewels, thank you for the time spent with me and my Mother, the sacrifice of leaving your loved ones to be with us, to adore me and to praise me and my Mother. I will [bless] you, my children, for this special time spent with us. I, your Jesus of Nazareth, love you and all my children. I say thank you. Thank you, my child Celeste. I, your Jesus of Nazareth, came to convey this message with love.

### **Mother Mary**

I, your Mother Mary, I am here with my Son to converse with you and to say thank you for responding to my call.

### **Jesus Christ**

I, your Jesus of Nazareth, say to you that I want to relay my love to you, to express our unconditional love bestowed upon you.

I, your Jesus, I have my special plans for you. I will help you with this task. Do not get confused. It's me, your Lord. I want you to become more confident towards me, your Jesus. I am your provider. I

am saying that our son Frank is coming to the right path in life. The way is open for him and you, my child. Everything is coming anew. It's a new beginning of your life to work for me, your Jesus.

Be in my peace, my love. I bless you and your loved ones, family, friends and all my children.

[Fernanda] *Thank you, my Jesus. I thank you, my Lord. I paid my accounts. Thank you, Jesus.*

Thank you, my child.

[Fernanda] *I love you. I love you. I love you. I love you. Sua bênção<sup>3</sup>.*
