

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Jesus Christ, Mother Mary

[Fernanda] *My Jesus, my love, my adorable Lord, I love you. I thank you for today, for everything. My dear Mother, I love you. My dear Father, my Holy Spirit, I thank you for all the graces, protection, love, peace and understanding. I thank you for creating the universe. I thank you, my Lord, for the beautiful world, your creation.*

Jesus Christ

My child, oh, thank you for the praises and love towards us. I thank you for your time sitting with me, my Father, the Holy Spirit and my dear Mother. We are all here with you, my little one. Yes, my child, you look up and around, you don't see us, but they can see you and you feel our presence.

My Andorinha¹, I want to convey to you about today at my Divine Mercy seminar. Oh my child, I was very thrilled with the testimonies and my beloved son priest's words about my Second Coming. I know how you felt. You wanted to say to them that it's all true, you wanted to speak about my messages, to relay to them about our conversations. Yes, my child, the time will come. You are going to relay and convey my messages up on the altar.

My child, you wanted to talk about my child Ana Maria's testimony. Your heart was pounding to go and talk, but you didn't have the opportunity. I saw your heart, how much you wanted to talk about my child. Next time, don't say anything to anyone, just ask me, the Holy Spirit and my Mother to come to your aid. We will guide you and give you the words to say. Do not worry about the language. We will speak through my Andorinha.

[Fernanda] *Thank you, my Jesus, my Lord. Yes, my Jesus, I wanted so much to go, but then they said only one minute. Then I saw that my sisters and brothers in Christ took long.*

Thank you, my child, I saw, I appreciated that.

My daughter, I want to convey this message to you. Listen, keep it in your heart.

Today your heart was very sore, troubled because of ...private message removed...

[Fernanda] *My Jesus, can I please ask my Jesus when it's going to happen, if it's still going to take so long my Lord?*

Oh, my little one, why do you punish yourself that way. Why don't you trust me, your Jesus?

[Fernanda] *Oh my Lord Jesus, I don't know anymore. Jesus, I am tired of all these years, battling always because of not having enough to pay my rent, my daily affairs, and with our son it's also the same. Sorry, sorry, sorry, my Jesus. I don't want, I don't have the right, to ask the question of my Jesus. I don't want to hurt my precious Lord. I love you, my Jesus. I ask pardon.*

My daughter, I have my reasons. I have a purpose for this delay. My child, I understand you very well. I said to you that I don't want you to go back to work. I want you to work for me, for my fields, for my harvest. I said that I will provide for you and for your loved ones. I am taking care of everything.

...private message removed...

[Fernanda] *Oh my Jesus, I am in your hands.*

My child, I see your tears. You don't need to cry. My child, you are my Andorinha. I am your Spouse. You are my bride. My child, the time is very near. I love you, my daughter. Be in my peace and my love and your loved ones.

My daughter, my Mother, she is here, waiting to converse with you.

Mother Mary

My child, I am your Mother, the Mother of your loving Jesus. I love you, my daughter, do not cry. I am here with you to protect you, to guide you, to help you. You are our precious Andorinha. We love you very much.

[Fernanda] *My precious dear Mother, I love you too very much. I am sorry. I want to work for my Jesus, but I need financial help for me to be in peace, and our son, if he had money, he would help me. My Jesus, even his car is broken, it's not a reliable car anymore. Thank you, my Mother.*

My child, I want to say thank you for this special time with my Son and me, your Mother Mary. My little one, be in peace, relax. Leave everything for my Son to take care of. When you give [your will] to him, just leave it: my Son will do the rest. He doesn't forget about his children. My child, this is a learning process for you. You are going to be able to teach my children what it is to wait, wait. It's the same for my Son and I – we wait patiently for our children. Do you understand what this is all about?

[Fernanda] *Thank you, my Mother. I understand. Sorry. I apologise.*

Oh my daughter, I want you to concentrate on your prayers for everything given to you, for all the people that my Son and I ask you to pray for. You have so much [to do] to start your mission. My Andorinha, you are going to fly all over the country, the world, for your mission – everything will come together. Time is near, time is like lightning. Time is running out. We must not waste time, precious time. My daughter, I want to repeat my Son's words: do not worry about our son, your loved ones – the phase is past now. The new season is here for him and you. What you seed, you reap. The season is now to reap for our son Frank and you. My child, you still doubt my Son's words and mine.

I bless you, my little one, your loved ones, family, friends and the world. I love you and all my children. Thank you for responding to my call.

Jesus Christ

My Andorinha, I, your Jesus, came at this moment to convey to you about your future. My child, your mission, your future is in my hands. You are my humble servant, my chosen one for my flock. My harvest needs to be watered. My child, you are my hope to bring my children, my astray ones, my lost ones to come to me. My child, I have everything organised, produced for you, for your task, *encargo*² – it's a very strong, auspicious, courageous one to do my work. You are my humble servant. I will provide for you. I chose you for my fields. I will never leave or orphan you because I am your Spouse. I need your help, my little one, my butterfly, my Petal, my jewel. How do you feel now? Better – your heart is not aching so much. I love you, my Andorinha. You are mine, my property. You have given your will to me. Thank you for giving your will to me.

I give you my peace, my peace I give you and your loved ones and your family and all my children.

I, your Jesus of Nazareth came to you at this moment to relay this message. Thank you, my child. I love you always. Thank you my letting me come into your heart.

[Fernanda] *My will is yours. I am all yours. My entire being belongs to my Jesus.*
