

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

[Fernanda] *My dear loving Jesus, my Lord, my Saviour, my source of life, my adorable, perfectly intellectual Lord, my love of my life, I adore you. I praise you for eternity. You are my everything in my life. I thank you for your love given to me, my loved ones, my family and all your children all over the world. My Father, my Holy Spirit, my dear Mother, I thank you for the pleas of this morning, for everything. My Creator, my Holy Trinity, I thank you for all my gifts, for my health, my journey in my life, my protection. My whole being belongs to all of you. My precious Jesus, Father, Holy Spirit, my Mother, Mãe<sup>1</sup>, I thank you for everything. Thank you. My gratitude is never enough. I love you all.*

### Jesus Christ

Thank you, my child, my Andorinha<sup>2</sup>, for sitting with me, my dear Beloved Mother and the Holy Trinity. Thank you for all the praises and glory given to us all – it's much appreciated, your appreciation towards us. Oh my child, how many of my children don't even think to say just a thank you? My child, I'd appreciate it if you could do that to us in reparation for my children who are ungrateful to us.

My child, I know how you felt today. Oh my child, I don't want to see you that way. You have suffered enough all your life because of the same cause. I know, I saw how you were in pain today. My child, I, your Jesus, said your purification has ended. Do not fear, do not be afraid. I promised everything to you in my holy name.

My child, I love you. Thank you for being obedient this morning. You see, my little one, you were needed there. Yes, my child, I sent you to hug my precious daughter, Susan (Sue) and to say thank you on my behalf. My daughter, say thank you to my children for this morning, for the conversation about me and my Mother. Yes, there were a lot of angels there – their wings just flap-flapped around you, my child – and the saints were also there. Thank you, my children, for inviting me and my Mother to dine with you – only my child Alice was missing from my sheep, my table.

[Fernanda] *Thank you, my Jesus and Mother Mary, for being with us.*

My child, the card... I sent each of my children a present corresponding to each of one you. My child, I know this morning you knocked at my door. My Father, the Holy Spirit and my Mother, we all heard the knock with cries and we opened to see who it was. Oh, what a surprise to see our joyous

Andorinha knocking so hard and crying. We wiped away your tears, we took your hand. We walked with you. We comforted you, my humble servant – my joy, my dancer, my singer was so sad.

[Fernanda] *Thank you, my Jesus. Sorry if I hurt you. My Jesus, my Lord, my Father, the Holy Spirit and my Mother, thank you for all the love. My Jesus, afterwards, I was feeling much better. Thank you, my Jesus, for sending me to your children, my friends. I love you, Jesus. My Jesus, can I please ask my Jesus, my Lord a big favour, Jesus, if it's my precious Jesus' will to help or convey something? My Jesus, your devoted son \_\_\_\_\_ and your daughter \_\_\_\_\_ love you so much and they want to do my Jesus' holy will. They love you very much, Jesus, and your precious dear Mother. Jesus, everything in their life, they try to start something in their lives, business, farming – whatever they plant, nothing succeeds. They are so tired of always trying, but nothing goes forward. On Saturday, my Jesus, he had an anxiety attack because he sees that he doesn't have enough money this month to support his family. He has three daughters, your children, my Jesus, to feed. Jesus, my Lord, he is suffering so much and he does not know what to do anymore, my Lord. Thank you, my Jesus, I love you. I know that my Lord knows his pains better than he does. Thank you very much, my Jesus.*

My daughter, I your Jesus of Nazareth come to you at this moment to relay, convey a message of love, appreciation and gratitude for the beautiful work done for me, my Mother and the Holy Trinity.

My beloved, courageous son, I, your Jesus, your God want to say thank you for everything bestowed upon me and my Mother. My son, I know of your battles, your hardships, your perseverance, your trials, but my son, remember, your love for me and your loved ones is much appreciated by me and my Mother. I, your Jesus, I will never leave you or forsake you and your loved ones. I will always send a helping hand to you. My son and my daughter, do not despair, do not become despondent. Have faith in me, your Jesus, your God. I have a purpose for this. I have my reason.

I know, my child, that sometimes it is difficult to understand my mysteries. Yes, my son, others do not even remember me – no Mass, no Confession – and they have everything. My other children like you, so faithful to me, so obedient, so loving, are trying very hard to bring my lost sheep, my astray children to me and always have anguish, affliction and hardships.

My son, know that I, your Jesus, know all about my children. There is not one that I do not know about. My child, remember something: read my Living Word, Ecclesiastes. My child, through their good deeds, their love for me, my Mother and my Father, I will let my faithful ones enter into my Kingdom in heaven. I will receive these precious children in my arms. I have a special place in heaven for these precious jewels.

My son, you know with your faith, knowledge and wisdom that this world is only temporary, only for a while. My son \_\_\_\_\_ and my daughter \_\_\_\_\_, I, your God, your Jesus, I will help you. I will take care of you and your loved ones.

My dear Mother, she is here. She asked me to convey this message to you, my special, devoted son.

### **Mother Mary**

I am your Mother Mary. I want to relay to you, I thank you, both of you, for the love, Rosaries, prayers said to me and my Son Jesus Christ. I will be with you and your loved ones. I will cover you with my Divine Mantle. Keep praying – don't ever lose this faith and love towards us, my child. My Son has a special task for both of you. Time will tell.

My children, trust my Son Jesus. He suffered on Calvary for all of his children. He will never leave any of his children. Your love and devotion to us will be rewarded. Remember, my children, there is no

heaven without pains, but my precious children, we don't want you to suffer – none of our children. We love them all equally. Our anguish is to save all of my sheep, flock.

My son, my daughter, we love you very much, we will help you. Your treasure in heaven is being kept in a special place. Have faith, my children.

I, your Mother Mary, say thank you. I bless you, I give my peace to you and your loved ones.

[Fernanda] *Thank you, my precious Mother and my Jesus for his message given to your special children. I thank you for the help given to them. I love you, my Jesus, my Mother Mary.*

### **Mother Mary**

My daughter, I, your Mother Mary, am here with you. Thank you for interceding for our children. My child, I know your heart. If you had [the means], you would help them. My child, I want to say to you, I want to convey this special message to you, my Son's Andorinha. I, your Mother Mary, want to convey to you, my little one: I don't want you to despair any more. I want you always to be joyous in spirit. I want you to know that I, your Mother Mary, I am waiting. Very soon, from next week, I want you to get all the prayers given to you and you have to start your mission with what we asked you to pray for. My child, I am so excited about it. My child, I want you to be happy, like before. I don't want my adversary in the midst. My child, I want you to be joyous and strong. I know why you are in despair. I understand so well. My little one, I repeat again, my Son's hand is on this mission. He is your Spouse, your provider. He is taking care of you. Thank you, my little one.

Your back is sore today. I want you to rest, my jewel. I, your Mother Mary, say thank you for you time spent with me and my Son. I bless you and your loved ones. Thank you for you responding to my call.

### **Jesus Christ**

My daughter, I your Jesus, want to say thank you for your time spent with me and my Mother. My child, I give you my peace, my peace I give you, your loved ones, family, friends, enemies and all my children. I, your Jesus of Nazareth, your God, your Lord, love all my children.

[Fernanda] *Thank you, my adorable Lord, my querido<sup>3</sup>, my infinite love of my life.*
