

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Jesus Christ, Mother Mary

[Fernanda] *My Jesus, my Mother, my Father and the Holy Spirit, I love you, I praise you. I adore you, my Holy Trinity. I thank you for everything, for the beautiful day. My Jesus, my Saviour, I love you.*

Jesus Christ

My daughter, thank you for all the love given to all of us, for the love and care given to my children. Thank you for sitting here with me and my Beloved Mother.

My Petal, my Andorinha¹, I enjoyed the beautiful prayers said today. Thank you for conveying my message to my son Mario and for the prayers said with him. I love my son. I will help him. I will release his pains, the blockages in his life and his loved ones' lives. He is my special child, my son. He never fails to come to me despite his trials. I will bless him always. There is a way out for him. He and my precious daughter Carolina must just put their trust completely in me, their loving Jesus. I have something reserved for them. They will be my warriors one day. Thank you, my children.

My daughter, coming back to you about our son _____. I know how heavy your heart is about his future. He will help you very well. When he is on the road to his future success, business, with his good heart, he will help a lot of my children. My child, be in peace, my peace. You, my warrior, will succeed in your mission. All your worries, finances, are in my hands. My daughter, I want you to know that I never forget my children. I chose you for a reason, so I am responsible for you, for your future. You are in my care.

[Fernanda] *Thank you, my Jesus, I love you. I leave everything in your hands.*

Mother Mary

My daughter, I am your Mother Mary, the Mother of your Jesus.

I am very happy about today at my precious daughter Francesca – the prayers, the way she explained to my children about Our Lady of All Nations. Yes, my child, I am Our Lady of All Nations. My feast day: thank you, my child, for teaching my sheep, my flock about it. I appeared to my children to teach, to bring my children to my Son. I am appearing all over the world with different names according to cities, countries. Oh my child, I don't stop for one second of the day. I am always trying to convert my lost, astray children, in a way that they will recognise me as their Mother, to save them, so they do not perish. Oh my child, my pain is unbearable.

[Fernanda] *Sorry, my Mommy, Mãe², that I left you this way. I heard a noise and I went to see.*

I saw that my child – not even an “excuse me”. My child, you are with me and my Son. Nothing will happen to you. We protect you. Do not fear.

My child, I have so much to converse with you about your mission, about this world. I need your time completely. My daughter, I want to confide something to you.

My Andorinha, this world is going through a crisis. All over the world, there is no peace, no unity, no love. Families are against families. Everybody is trying to destroy one another. There is no understanding between my children, the leaders, governments, my churches. My children are living only for material things. Their souls don't matter to them. They don't think or believe that there is hell, which there is. It's horrible to see, to watch their suffering. That's why I go all over the world to try and save my children from hell and purgatory. My child, one day, very soon, my Son will show you all of this in a vision to enable you to tell my children, to teach them all about it. You are going to help my Son and me to save them. My daughter, when you are on your mission, you are going to experience all that. You have to be strong, my little one. You have to pray, pray a lot of Rosaries for this intention. My child, I want to share this with you. You have to know all this, our warrior.

My little one, today you are experiencing more peace. You are not so uptight about how you are going to carry on with your future without financial help. Your present is given to you, it's yours, my child. Thank you for the patience and love to sit with me and my Son.

My child, I know your back is not comfortable. Our new home has a nice table, a nice, comfortable chair, a nice pen to write properly and neatly. Your handwriting is going to improve and your eyesight will be restored for your mission.

My child, I bless you, your loved ones, family and my children. You are tired. You have to wake up early. Thank you for responding to my call.

Jesus Christ

My child, I, your Jesus, I was listening to the conversation between my Beloved Mother and you. My child, there is so much for you to learn for your task.

[Fernanda] *Oh my adorable Jesus, my Divine Merciful Lord, I thank you for confiding all this to me and for letting me know everything about my loved ones' protection. I thank you very much, my Lord my God, my Jesus. I praise you, my King of Kings. I love you with all my heart. I love you, my God, with all my heart.*

I, your Jesus, your God, say thank you for this special time spent with me and my Beloved Mother. I give my peace, love, unity and understanding to you, your loved ones and all the world. I, your Jesus of Nazareth came to you to convey to you this message in confidence to you my Andorinha. Go to your *palhinhas*³ (little nest), you need to rest.

[Fernanda] *Thank you, my Lord, my adorable Jesus. I love you with all my heart – your humble servant.*
