

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Jesus Christ, Mother Mary

[Fernanda] *My dear Jesus, I love you. My dear Mother, I love you, I praise you. My Jesus, thank you for the beautiful day and for protecting me and my loved ones.*

Jesus Christ

My daughter, I, your Jesus, say thank you for sitting with me and my Beloved Mother and for your love bestowed upon us. Oh, thank you for the Divine Praises into my Sacred Heart of Jesus, your Jesus.

My child, I was very pleased that you went to celebrate the feast of my Sacred Heart of Jesus. My child, I sent you there to be with me and my Mother, to assist my holy heart. My daughter, how did you feel? I gave you peace and love while you were there.

[Fernanda] *My Jesus, I want to say thank you very much. I felt peace and love towards my sisters in Christ.*

My child, time will come for my children to see how special you are to me and my Mother. My humble servant, I want you to know, my humble one, [through] all your disdain given to you, my child, your heart was broken, but you always kept quiet and walked away with dignity, not defending yourself. In humility, you let them criticise and persecute you. My child, your reward is going to be given to you by me, your Jesus, your God of Nazareth. "Humbleness" is always the keyword. That pleases me very much. But my child, I, your Jesus, want to convey to you that I took you from that place and some other places for a reason. I, your Jesus, always do things for a purpose. I chose you and in my own time and space, pulled you from places towards me without your knowledge. You didn't understand. Your heart wasn't there, yet my sheep, my flock said you were embarrassed to be there. My child, I was aware of all that was happening to you. My child, without you knowing, I slowly called you into my heart and you accepted and you gave your will to me. Remember, I took you away from certain places and people in a way for you to grow. I purified you. I did a cleansing of your [environment] between my sheep. My child, when you plant my wheat, you have to scatter the weeds between the wheat and lift up the soil. That's what I did to you. My Petal, my child, never again fear criticism – foul, sharp tongues are not going to ruin or destroy you.

My little one, I am your Alpha and Omega. You are messenger of your God, your Jesus, for my Second Coming. My daughter, you are my hope. You are going to help me to save souls. My flock is scattered and has to be cleansed. My dry fields need to be watered. I am waiting for your help – oh my child, I am in pain – to bring my children to me. I so much want the salvation of the whole world.

My daughter, my precious dear Mother, she is here to converse with you.

Mother Mary

My daughter, my Son's Andorinha¹, I am your Mother Mary, the Mother of your Jesus. My daughter, I want to convey, relay to you. My little one, my Son said to me that it's now my duty to converse and convey our messages that are heavy in our hearts.

My child, my Son and I love you very much. My Son needs your help. My child, your mission is almost ready for you. My Son said to you before that when your mission is ready, he will come to you in his glory to give you a sign, a sign of my Son on you. You are going to be recognised by our children and will be able you to speak, proclaim and announce my Son's messages for his End of Times, which is very near. My Son's Andorinha, my Son, the Holy Spirit, the Father and I will be with you. Strength will be given to you – our love and courage to speak. The world will be amazed. My daughter, you will receive all the gifts upon you. The Holy Spirit will infill you more and more. Your vision will be so clear, to enable you to comprehend, discern all the falseness, the evil around you.

My daughter, you need to rest. I want to bless you, your loved ones, family, friends and all the world. Thank you for responding to my call.

[Fernanda] My precious Mother, Mãe², I, your humble servant, want to say thank you again for the immense love. My precious Mother, there are not enough words to thank you, Mother Mary.

Jesus Christ

My daughter, I, your Jesus, I am here to say to you not to worry about anything. Everything is in my hands. I placed it in my heart.

...private message removed...

My daughter, you are not sitting properly. Thank you for your effort to be with me and my Mother.

[Fernanda] My Jesus, today I am staying here with my cousin and friend. Tomorrow I will be coming to visit my Jesus in the shrine, at your blessed tabernacle. My Jesus, forgive me for not going there tonight. I love you, Jesus. Does it hurt my Jesus because I am not going there tonight? I know my Lord is waiting for me. Thank you, my Jesus.

My daughter, thank you for being polite, considerate towards me. It pleases me, alleviates my heart and my Mother's. I understand. I don't feel hurt because you explained, you opened your heart to me. You are humble in asking me this question. I, your Jesus, want to say thank you. Be in peace, my peace and rest in my arms. Oh my child, if you could see my angels: they are making a circle around you to embrace you and some saints are there as well.

My daughter, you are very tired. Your eyes keep closing. I, your Jesus, bless you, your loved ones, family and friends. Your brother Francisco needs prayers. My son Francisco has a good heart. He is carrying a lot of hurt in his heart. My child, pray for him. My daughter, I love you very much. My peace to the world.

[Fernanda] Thank you, my Jesus. I love you very much. I, your daughter, your humble servant, say thank you a million times and I ask my Father, sua bênção³; my Holy Spirit, sua bênção; my Jesus, sua
