

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

These messages are all about love, repentance, Confession and praying the Rosary, especially for the Church and against abortions

Jesus Christ, Mother Mary

[Fernanda] *My precious Lord Jesus, thank you for everything, today and always. For all the graces and favours I have received, all the blessings and sufferings, I thank you, my Jesus. I love you. My dear Mother, I love you. Thank you for all the protection given to me, my loved ones, family, friends and all your children.*

Jesus Christ

My dearest daughter, my Petal, my Andorinha¹, thank you for sitting with me and my Mother. It's late, my little one, but you have still made time to sit with us. I, your Jesus, want to say, convey to you, about the beautiful, fruitful day with my Holy Mass you attended in my name.

My daughter, tonight I was very touched by my son priest Father George, my predilected son so full of the Holy Spirit.

Thank you, my son. You touched my children's hearts, my heart – penetrated, enlivened, inhaled love into my heart and my Mother's. It's my children with their love into our pierced, aching hearts that alleviate our pains.

My child, today you have been very occupied. From now on, I need you to concentrate more on fixing, preparing my messages and my Mother's. The time is approaching – it's very near for you to be dealing with your task. There is still plenty to do. You have to come and sit to prepare all your books, your homework. My child, I, your Jesus, your teacher, will come to you at any time for you to do your exam, to see how many points you are going to get. Oh my child, your exam papers are not too difficult – it's all about love, Confession, repentance, reconciliation, Rosaries, [stopping] abortions – pray, pray the Rosary, pray for my Church, my holy pope, my son priests, my little babies being killed every second of every day. I, your Jesus will come and see how much you have been learning, practising, all my messages because you are my messenger, the messenger of your God, your Jesus. You need all your paperwork ready for me, your Jesus. You have so much to pray for, for what my Mother and I have been asking for. My Andorinha, my warrior, my strong one for my End of Times, my Second Coming is near.

My child, my dear Mother, she is here, waiting to converse with you.

Mother Mary

¹ Portuguese to English translation: Swallow

My Son's Andorinha, I, your Mother Mary, *Mãe*², I am here with you and my Son Jesus Christ. Thank you for your time spent, consumed, with us. My daughter, I, your Mother Mary, have something to convey, to confide to you through my Son Jesus Christ.

My little one, my Son asked me again to relay this message to you. You have the right to know, to see that you are our, his, messenger. My daughter, I am in a lot of torment. My aching heart is pierced because lots is going to happen to the world, so much destruction, dismantled corpses, lots of hurt in my children. My Son wishes you to know what is going to happen. It's going to be a *desmoronando*³, a battlefield between my children, chaos in this field of battle – war, war – it has to come to an end. It has to be stopped before it's too late. In some parts of this world it's going to be very ugly, earthquakes...

...private message removed...

Oh my dear Mother, if I pray a lot to my Jesus and my dear Mother, it will help?

My Petal, yes, that's why I say pray and we will reveal this to you for you to help my Son. You and I must pray to my Son for more time for my children. My daughter, jealousy is the fragrance of my adversary, thrown into my sheep. It's all my enemy's work to interfere with my Son's holy work. My daughter, my Son has given you a mission for all this. You are going all over the world with one of my Son's signs on you, then you will be free to evangelise my Son's messages to the world. My daughter, you are getting stronger day by day. The Holy Spirit did a lot of work on you for this work that my Son has prepared for you.

Be in my peace, the peace of your Mother, *Mãe*⁴. My daughter, I bless you, your loved ones, family, friends, all my children, especially the lukewarm hearts. Thank you for responding to my call.

Jesus Christ

My daughter, you are very tired. I say to you, know that your joyous spirit with your love, dancing and singing infilled my children's hearts. My child, you are our precious princess, full of joy. You have a pure, clean heart. You are like a child between my sheep. My child, do not worry. I enjoyed seeing you in that dance. Don't fear, it's not a sin the way you perform, the way the Holy Spirit guides you to entertain my sheep, my children. I know your heart. You are my Andorinha, free from foul thinking. My daughter, I left everything in this world with love, purity, cleanliness and intense candour. You are my special child. I enjoy my little Andorinha's loyal, faithful heart. Be in my love, in this spirit of joy.

I, your Jesus, bless you and your loved ones. I bless all my children whom I love very much. I desire the salvation of all of them. I, your Jesus come to you at this moment to share with you all our joys and sorrows. Thank you, my child, for being obedient to me, your Jesus, for loving me, the Holy Spirit, my Father, my Mother. We all care and love you very much, my hope for my Second Coming to save my sheep, my flock, my astray insolent ones. My child, your love has been seen by us. I, your Jesus, your God, love you very much and all my children. I don't want my sheep to be astray, scattered from me. My child, I chose you to help in this task, which I have given to you.

I bless you and your loved ones and all my children – I, your Jesus Christ, sitting and conversing with you and my Beloved Mother.
