

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Jesus Christ

My daughter, my daughter, I, your Jesus, say thank you for sitting with me. My child, I want to convey to you that you are my servant, my humble servant.

My Andorinha¹, I have entrusted a special mission to you. I have a request for you. I want you to know that you must be prepared. Very soon, you are going to receive your gift, your mission. I want to talk about your gift. I [will] declare to you now what I have for you. My child, I have a special, special gift. It is what I have been promising to you. Oh my child, you deserve what I promised you. The time is here to hand it over to you. Don't doubt any more. I can't let you suffer any more. You need it now [to let go of] all your worries, pains and how you are going to survive. My child, I need you for your mission to help your Jesus. You have to concentrate on everything that I have been placing upon you. You need it now. You are going to start working in my peace, in peace of mind. All your worries, financial problems – I say to you, my child, you're going to pay all your accounts and restore everything to be able to be free of these preoccupations of not having financial help. I can't permit this to you anymore.

My child, you wish to know how you are going to receive it. I will bring it to you in a special way. I say that it will fall from heaven. Your time is here for all the declarations, responsibilities given to you. It's open like an open book that you are be able to read, to learn from. My child, I am so joyous about what I am going to place on you.

Thank you for your patience and obedience in trusting in me, leaving your work when I told you to leave. You had no income to live, but you listened to me and carried on. I heard your cries, your sighs, anguish, your humility in having to ask our sons for money. One day, you will understand my reason for that. My child, I, your Jesus, when I promise something to my humble servants, my workers, I never leave them compromised. My child, this is, was, a test, the last test in your programme for you mission.

My child, I wanted to relay that from now on, you will see – what I, your Jesus, said will now come into the light. My child, I will give you enough to live on while you are on this earth. After receiving, which is soon, you are going to see, you are going to be placed [with] everything [that is] in my heart. You are not going to be interested in earthly things. I see that my children don't even realise how important or serious your task is, how special you are to me, my Father, the Holy Spirit and my Mother.

Oh, your eyesight – I, your Jesus, am saying to you now that it is going to be recuperated, rehabilitated. You are going to have new, perfect vision.

My Andorinha, I, your Jesus, I am so happy to announce, to bring the good news to you. My child, you will be able to sort out everything here and overseas, miscellaneous expenses, accounts. Oh my child, from this time onwards, [there will be] no more pains, no more humiliation of asking to pay your rent. My child, trust me, your Jesus. I am here with you to relieve you of all this anguish, affliction. I, your God, your Lord, bring you joy and happiness on this matter because of what you had to *enfrentar*² during the start of your mission. You will be free of this tribulation.

My strong warrior, my messenger of your God, your Jesus, I am waiting for the last preparations to be done in heaven. Our celebration in heaven is also being prepared for an even bigger one than before. Heaven will be rejoicing, joyously celebrating for this occasion.

My child, I say thank you for your time to get up sit and converse with me, despite the cold morning. I want to say thank you for these four hours spent in my company at my holy tabernacle. Write down everything, mention all to my children, my flock, about my tabernacle, what I have said to you about it.

I give you my peace, my peace I give to you and your loved ones, to all the world. I, your Jesus of Nazareth, your Spouse, come at this early hour of the morning to convey this message to you, my Andorinha, my humble servant. I, your Jesus, my Father, the Holy Spirit and my Mother love you.

[Fernanda] *Thank you, my Jesus. I adore you. I praise you, my King of the whole universe, my Saviour my source of my life. I thank you for all these graces. I love you, my Holy Trinity and my Mother, Mãe*³ *Mary.*

[Fernanda writes] *I came from the shrine and went to bed at 04h30. Jesus woke me up to converse with me from 05h10 to 05h50.*
