

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Jesus Christ, Mother Mary

[Fernanda] *My Jesus, thank you. I love you. I adore you, I proclaim your name, your name above all names. My dear Mother, I love you. Thank you.*

Jesus Christ

My daughter, my Andorinha¹, I love you too. Thank you for all the good work, help, done for my children. Thank you for sitting with me and my dear Mother.

My child, today I am very happy, full of joy because of the special day spent with my special children, my musketeers. My child, today you, my jewels, your hearts were all about me and my dear Mother. My child, what a pleasant day full of harmony and unity between my children. What an expression of love towards me and my dear Mother.

I, your Jesus, want to say thank you to my children for the gift of yourselves given to me and to my Mother. You, my jewels, were not worried about the surroundings. You were not concerned with who was around and watching you, my children, when you said the prayers and Divine Mercy. This act of love pleased me, gave me joy in my heart and my Mother's. I thank all of you.

My child, I want to say thank you for taking my children to be healed, for help. They were in need of help. My daughter, I want to say that these children of mine, this entire family is in need of help, cautious reparation, special prayers. They need prayers for their family tree, deliverance, forgiveness, repentance, Confession, reconciliation and unity between one another. My children have to come to me with their open hearts. My child _____ and her loved ones need to come into my heart. I want to enter their hearts.

My child _____ and your loved ones, let me come inside your hearts. It's not difficult to open the door and let me in. I, your Jesus, I love you all. My child, _____ and your loved ones, come, repent. You must all come to Confession. Do not fear. I, your Jesus, I am waiting for you all in that Confession box. I am the one there, alive for you all, to absolve you, my children. I, your God, your Lord, I am a merciful God, I forgive all your errors, faults, sins when you come to me with contrite hearts. I don't judge, I forgive. My children, forgive one another in the same way that I forgave my enemies. Don't hold on to the past. The road is narrow to enter into my Kingdom. I ask you again my children: humble yourselves, it's the only way to salvation. My child, I want to save all my children. I

created you. I gave you the Breath of Life. I love you all equally, I don't have favourites. I died on the cross for all my children. I didn't pick and choose any of you.

My children, I will help you with all your pains, grief, suffering. I will protect you. Pray, pray to me, your Jesus and my Beloved Mother. Love your God, your Lord, with all your hearts.

Thank you, my children. I, your Jesus, your God, come to you at this moment to convey this message of love. Do not fear, do not worry about tomorrow. Everything is in my hands. Trust me, trust your Jesus of Nazareth. I bless you and give you peace.

Thank you, my daughter, my precious little one.

My dear Mother, she is waiting to converse with you, her daughter.

Mother Mary

My daughter, I, your Mother Mary, say thank you for being here to converse with my Son and me and for your time spent with us.

My child, today my heart has been filled with the love that you, my children, have given us. It has been a balm to my Son's heart and mine: the love bestowed upon my Son and all the conversation about my dear Son.

My daughter, I want to relay, confide to you about my children when they pierce my Son's heart and mine. My child, I am trying to hold up my Son's hand as much as I can because of my Son's agony in holding it up. It's so difficult to see my Son with so much atrocity from his sinful children, impurities implanted, carved into my Son's heart and mine.

My daughter, it's time to settle down and pray together as I asked you to pray.

My daughter, I see you are tired. You need to rest. Oh my daughter, I have so much to talk about, to explain many things. We have to discuss many things, we have to discuss about your mission and teach you about what is going on in this world.

My little child, I see your eyes are closing. I will call soon to converse more.

My daughter, I bless you and your loved ones, family, our sons, our daughter-in-law, our grandchildren and the world. I, your Mother Mary, say thank you for responding to my call.

[Fernanda] *Thank you, my dear Mother.*

Jesus Christ

My Andorinha, I see your hand, your arm is sore. I know, I see that, my child. I will heal your hand. I need you to converse and write all my messages with me. Do not worry about it. Time will tell you when you start your mission. I will restore, recuperate, heal all the pains in your body and soul in conjunction with your eyesight.

My daughter, I, your Jesus give you my peace, my peace I give to you, your loved ones, family and the whole world.

Thank you for this special time spent with us.

[Fernanda] *Thank you, my Jesus, my Lord. I love you. I adore you. Sua bênção².*
