

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Jesus Christ, Mother Mary

Jesus Christ

My daughter, thank you for my kisses, the love bestowed upon me and my Mother. I, your Jesus, say to you, thank you for the love, unconditional love, given to us.

My child, today my Mother and I have been so happy, full of joy in our hearts because of the conversation about me and my Mother between all my children at my son Mario and his loved ones' place, the conjunction of my children. I placed you together for a reason. The love shared is like a balm in our hearts. It's only [through] children like this that our living afflicted hearts find relief, alleviation.

My child, today you have been in total peace, my peace. All evening was about me. Thank you for sharing my messages given to you. My child, every word, every glimpse of my children was heard, taken into my heart. My Andorinha¹, every conversation was my delight to revive me from heartache.

Thank you, my Andorinha and my child Alice, for the gesture of praying for and comforting my deceased son's family.

My child, thank you for stopping and fixing your eyes upon me, your Jesus. Keep looking – one day I will manifest myself to you.

[Fernanda] *Thank you, my Jesus. Sorry Jesus, I fell asleep for a while.*

I see that, my child. That drink is no good for you.

[Fernanda] *Jesus, sorry, it was a little sherry. Jesus, am I also not allowed to have that, my Lord?*

My little one, my little Andorinha, I said no, especially not before our conversation.

[Fernanda] *Thank you, Jesus. I am so sorry.*

Oh my daughter, it was very cold. I forgive you. Do not make it a habit.

[Fernanda] *My Jesus, I love you very much. I don't want to hurt or offend my Lord.*

Thank you, my daughter, for all the praises.

¹ Portuguese to English translation: Swallow

[Fernanda writes] *I was looking at my Jesus and saying, "My Jesus, I love you. I praise, I adore you. you are so beautiful." I was just praising my Lord.*

My daughter, my dear Mother, she is here to converse with you.

Mother Mary

My Son's Andorinha, I, your Mother Mary, say thank you for sitting here with my Son and me and for the beautiful, joyous evening with all my special, chosen children, praising my Son, talking all the way about my Son's goodness and his glory, sharing all the graces, messages and kindness of my Son. Thank you, my children.

I, your Mother Mary, have something to share with you as well. My daughter, today, some of my children pierced, infiltrated a lot of pain, atrocity and cruelty to my Son's and my heart. This world is going into decay, decadence, falling into a sinkhole, deeper into sin, impurities. My children, they don't listen or follow my Son's clear path. Instead, they follow my adversary, my enemy's footsteps and go into a deep hole of darkness.

Oh my child, today I went to a faraway place to rescue some of my innocent foetuses, little babies. Oh these mothers, fathers, families, doctors and nurses are in need of complete rescue from indecency, in need of liberation, deliverance. Oh my child, my Son's hand is falling down. I try so much to ask my Son for more time to save more souls. My child, every country commits the most horrendous sins and they don't repent.

My child, put everything together. When your mission, your task comes, you will start teaching explaining to them how my Son's and my heart are in need of prayers to alleviate us.

My daughter, I have a secret to confide in you. My child, it's only for you until the time comes. My daughter, it's going to be a planet of horrific torment, turmoil, a falling down. I mean a planet of destruction. Avalanches are going to destroy, hurt [the] barricades of hopeless help.

Oh my child, I your Mother Mary ask you, please my child, it's time to start praying more profoundly. My child, I will warn you before it happens to prepare you for more intense prayers. Oh my child, we can't lose more time. Pray, pray, my daughter. Do not fear, just pray as much as possible. I, your Mother Mary ask you this at this moment [01h30].

I bless you and my children all over the world, and your loved ones, family. I will call soon to converse. Thank you for responding to my call.

[Fernanda] *Thank you, my dear Mother, for confiding in me all of my Jesus and my Mother's sorrows and sufferings. I love you, my special eternal Mother.*

Jesus Christ

My Andorinha, I, your Jesus say thank you for your patience to be with us at this hour. While my children sleep, rest, you have spent this hour of the morning with us. Thank you.

[Fernanda] *Oh, my Jesus, I love you. I want to alleviate my Jesus' sufferings and my precious Mãe² Mary's. My Jesus, can I please ask my Jesus a favour, if it's my Jesus' will to hear me, your humble servant. My Jesus, our son Frank asked me to pray to my Lord because today he is going to meet your daughter _____ for some business. My Jesus knows a mother's worries, concerns. My Jesus, our son is your son. I know, my Jesus cares for him. Jesus, can my Jesus, please if it's my Jesus' will,*

If it's not the right person for him to do business with, please my Lord, put your precious holy hand over him and guide, illuminate him with the right discernment on this matter. Thank you, my adorable, precious, Divine Light Jesus, my Lord, my God.

My daughter, I, your Jesus of Nazareth, say again to you, I will guide our son. The universe owes to him what has been taken from him. I, your Jesus in heaven will give him the right knowledge to discern. The Holy Spirit will be with him. My child must go to the meeting – there is no harm in it.

My child Frank, I, your Jesus, will be with you on this matter. I will show you where to go on this. I will prepare you for your business. I repeat, it's about time to start. You will have enough, abundance. My son Frank, I, your Jesus say thank you for helping your mother in her financial difficulties. I, your Jesus, see everything, your difficulties, your hardships. Your mother, my daughter, my humble servant has been chosen by me, your God, your Lord, to do my holy work. I have chosen her in her Mother's womb. It's time now for her mission her task. She will be my messenger for my End of Times, which is near, my Second Coming. My children don't believe it. My son I have to explain all of this to you for you to know that I, your Jesus, want to say thank you for all the help given to my daughter. I, your Jesus, I see and hear everything with my children. I will always protect you and bless you abundantly. Do not fear my son. I have placed you in my heart, in the palms of my hands. I will provide for you and my daughter, my messenger, the messenger of your God – that's the name and the task given to her.

I, your Jesus, came to you to relay this message to you. My son, know that I love you and I care for you. Thank you for all the novenas and prayers. They have been heard in heaven.

[Fernanda] *Thank you, my Lord, my Jesus. I adore my Jesus, my King, my Saviour.*

My child I want you to rest. I give you my peace, my peace I give you, your loved ones, family, friends and enemies. I bless the world. Thank you, my Andorinha. I love you too.

[Fernanda] *My Jesus, thank you. I bless you. I praise you. I adore you for everything. Sua bênção³, my Holy Trinity, my precious Mother. I love you all. I am your humble servant. [02h00]*
