

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

Revelation 1:7–8

#### Jesus Christ

My daughter, thank you for sitting with me, your Jesus.

Thank you for today. I heard your prayers to me, my child. I am very pleased with the intercessory prayers with my Beloved Mother about me, your Jesus, giving more time to the world. My child, I know how my precious Mother suffers to see the world going into disaster, chaos. My precious Mother goes all over the world without ceasing to my visionaries, asking my children to repent, to come to me. My Beloved Mother, she intercedes with you, my Andorinha<sup>1</sup>, in asking me, her Son, your Jesus, for more time to the world. Yes my child, my hand is getting tired. I am waiting patiently for my children to repent and to come to me with contrite hearts. My child, pray as you did today with my Beloved Mother. Know, my child, that your mission, your task, is going to be like this together with my Beloved Mother. She will be your guidance to help you on how to intercede, how to pray and to approach my sheep.

My child, you prayed for our son Frank through my five sacred wounds. I heard everything. My child, I will never reject any prayer requests or petitions through my sacred wounds. I will obtain anything you ask for in my own time. Thy will be done according to me, your Jesus. Oh my Rosary, the Rosary of Jesus<sup>2</sup>: carry on praying this Rosary and meditating as you did. It's a very powerful Rosary for any petition to me, your Lord.

*[Fernanda] Thank you, my Lord for teaching me this Rosary and guiding me to pray it. My Jesus, I was just praying to my Jesus with my sister in Christ at the Church, but Jesus, Eddie, Eduardo \_\_\_\_\_, your son had a massive heart attack. My Jesus, he is in your hands, my Lord. His brother, Lord, you healed him. I am going to give him the message, I am going to relay it next week, my Lord. Thank you, my Jesus, I leave your son Eddie in your hands.*

My daughter, thank you for praying for my son Eduardo and for your concern towards my children. My daughter, I, your Jesus, I came to you at this moment to convey this message to my son Eduardo and his loved ones, his entire family. My daughter, my children – my son Eduardo, I, your Jesus, I will heal him completely. I will restore his health. Remember, with me, your Lord, your God, nothing is impossible. My son and all his entire family must come to my arms, they must be united as one family. They must forgive one another's mistakes, errors, as I, your God, your Jesus, forgave my

enemies while I was on the cross. I never intended not to forgive those who crucified me. During my Passion, on the way of Via Dolorosa, I was in horrific pain, torment, sufferings, but I was ready to forgive those who persecuted me. Oh my son Eduardo, I, your Jesus, I ask of you and your loved ones, I want unity, love and understanding. Love one another as I love you all. I want to save all my sheep, my flock, my children. I ask of you all: Confession, repentance, unity – repent and to come to me, your Jesus. I am waiting for you, my children. Open your hearts, let me enter into your hearts, come and receive my Precious Body and Blood. Come to my Eucharist, my Mass. I will be waiting in that Confession box. It's me, your Jesus, I am alive there for all of you to absolve you from all your sins. My son priests are my representatives. Come to me with a contrite heart. I will forgive all your sins for you to enter into my Kingdom in heaven. My child, my son, I love you and your loved ones very much. This world is only [for] material things: come and look upon heavenly food for the soul, which is for eternity. I, your Jesus, your God of Nazareth, convey this message of love and compassion to you and your loved ones and family. I bless you and I give my peace to you, your loved ones, family. My Beloved Mother will protect you all with her Divine Mantle.

My daughter, relay this message to my children.

[Fernanda] *Thank you, my loving Jesus. I praise you, I adore you. I bless you, my precious Spouse.*

My daughter, I, your Jesus, say thank you. My Beloved Mother, she is waiting to converse with you.

### **Mother Mary**

My daughter, my Son's Andorinha, I, your Mother Mary, say thank you for this special time spent with my Son and me. All the hours in our conversation – it's a special time, which alleviates my pierced heart and my Son's. Oh my daughter, today I was in awe, joy. Thank you for praying with me, the Rosary and all the prayers said in asking my Son for more time. My child, I was very happy and my Son was very pleased. Oh my child, all these prayers help my Son's hand to get lighter. My child, we must pray every day as much as you can. Just call me: I will be at your side with you.

My daughter, thank you for the prayer of my Son's holy wounds for \_\_\_\_\_. I repeat, do not worry about \_\_\_\_\_, we know his hardships, what he is going through. My Son Jesus has everything ready for him to start his business. His finances are taken care of. It was a lovely gesture in praying that Rosary.

My child, tonight was the Mass on behalf of the 29<sup>th</sup> anniversary of my appearance to my visionaries in Medjugorje. Oh my child, there have been a lot of conversions, healings – my astray, lost sheep have been repaired, restored, through my appearances in Medjugorje. I know, my child, you also visited there three years ago. My child, you wish to go back again. I will permit this – your wish will be granted soon. All this joy brings my aching, pierced broken heart into a loving melody. Oh my child, the celebration in Medjugorje, today, it's amazing, beautiful, unbelievable. There is so much faith and love at my holy grounds. Oh my child, lots of Confessions are taking place – repentance. Oh, it's my joy to see my children, my astray, lost sheep from all over the world coming to my Son's arms in reparation.

My daughter, I want you to rest tonight. I will call you soon to converse again with you.

[Fernanda] *Thank you, my dear Mother. I love you, I adore you. Thank you for this special time spent with me. My dear Mother, can I ask something of my dear Mother, if my precious Mother wishes to answer me. Thank you, my dear Mother. Today in Medjugorje, there is a big celebration, a big feast, and everybody is calling you, my Mother, and my dear Mother can still be here with me with*

*everybody calling you and pulling your Divine Blue Mantle? Thank you, my Mother. I am sorry if I hurt or offended my Mother. I think my dear Mother is so occupied. Thank you.*

Oh my Son's Andorinha, your sense of humour makes my heart rejoice. I'm smiling. I understand what you think: your thoughts are simple, humble. I will answer you, my child. My daughter, I am always with my Son. Wherever he is, I am with him. We are always with our children, all over the world. It pleases us when our children call us to help them when they pray to my Son, the Father, the Holy Spirit – the Holy Trinity – and to me. It's too beautiful to see the Three in One. My child, one day you will experience the love and beauty of seeing them together. I am with them as well, always. Do you understand now, my child, we are never too occupied to be with our special children – anytime.

[Fernanda] *Oh, thank you, my dear Beloved Mother. Thank you for loving me and all the world.*

I bless you and your loved ones, family, friends and all the world. I, your Mother Mary say thank you and I love you too.

### **Jesus Christ**

My daughter, I, your Jesus of Nazareth, say thank you for all the questions asked to my Mother. It's wonderful. You are my inquisitive little child, always full of intense, interesting questions. My child, know that I, your Jesus, enjoy your company, your joyous spirit – it's a balm to our hearts. My daughter, your humbleness is always seen by me, your Jesus, and my Mother. I purified you for my fields, my harvest. They are so dry. I am waiting for you to water them – my warrior, my soldier, my messenger for my End of Times. I love you, my child. Your loved ones are in my care.

I give my peace, my peace I give you, your loved ones, family and all my children. I, your Jesus of Nazareth, come to sit and converse with you for you to enlighten my Immaculate Heart of your Jesus, pierced by my stubborn children.

[Fernanda] *Thank you my Lord, I adore you, my King of Kings, my Lord.*

...private message removed...

My child, I ask you now, relax and trust me, your Jesus. I want to see you in my peace. Do not fear, I am with you. Your loved ones, they are mine.

[Fernanda] *Thank you, my Lord, I love you. I am sorry.*
