

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7–8

Jesus asks us to spare him one hour of Adoration a week – this act of love brings many graces and blessings

Jesus Christ

My child, thank you for these hours spent with me and my Mother. My daughter, thank you for the singing to me and my Mother. The angels are so happy. They are saying, “Why did you stop?” They wanted more, so too did some of my saints.

Why did you feel so troubled with some thoughts? My child, I said that I would solve this. Don't let it perturb your peace. Our son Frank will be able to solve it – it's also in his heart. It will be taken care of. Don't let my enemy, adversary, interfere. Be joyous always in my presence. My child, I heard everything. All your requests, prayers, sighs, petitions are in my heart. All the sick [people] that you asked me to heal, I will heal some of their bodies and their souls: I will give them eternal life.

My daughter, I, your Jesus, say thank you for your company. You know, my Andorinha¹, during these moments spent together, I strengthen you and give you and your loved ones many graces. My child, when you are on your mission, one of the strong points to teach my children is about my Blessed Sacrament, the Eucharist. I want you to write everything I say to you. I am your God, your Lord, saying to you: relay to my children, speak to my son priests and tell them how important it is for them to institute Adoration and expose my Blessed Sacrament in my Holy Temple, my Church. My son priests must know its importance and how this encounter with my children pleases me. I will give my children many graces and protection when they sit here with me and my Beloved Mother – she is always with me.

My daughter, tell them my heart entwines with love: I hear, I see all their tears shed in front of me. I heal their pain and suffering. I will give them strength for their daily life's hardships. Oh, oh, I love to have my children even just to sit with me, absorbing my peace and my love. I will protect them from my enemy, my adversary. I will assist them in the last hour of their death. I restore broken marriages and homes. I will unite families. They must sit with me and open their hearts to me. I will hear all their pleas and their petitions, which I will grant them, according to my will and in my own time. I, their Jesus, their God, bless them abundantly.

Come, my children, sit with me. What I ask from you is just one hour a week of your time to spend with me. I give you a day of 24 hours. A week is 168 hours and from that I ask one hour for me. Will you do it for me, your Jesus, your God? Will you spare me one hour? Oh, thank you, my child.

My children, I, your Jesus, your God, love you very much. I even died for you with so much love and compassion, to save you, my children. Now, what do you say to your Jesus? Do not hesitate, I will be

waiting for you. Look at my daughter, my humble servant: she spent three hours here with me while my children rested. She could have been sleeping. She gave me these hours to keep me company.

Thank you, my daughter, for this special time spent with me your Jesus, your God.

[Fernanda] *Oh, my Jesus, I'm sorry that I had to tell you everything. Sorry if I hurt you and wasted your time with my problems. Sorry Jesus, I love you, thank you.*

Oh, my daughter, my Andorinha, I say to you: leave it to me. I know everything that you said to me. I don't get hurt and you didn't waste my time. My child, I know everything about you and all my children – even what's going to happen tomorrow or even further. My child, I have my reasons – with time you will understand.

[Fernanda] *Sorry, my Jesus. I love you. I love you very much. Sua bênção², my Father. Sua bênção, my Holy Spirit. Sua bênção, my Jesus. Sua bênção, my dear Mother. I love you all – I, your humble servant.*
