

ALPHA + OMEGA
God's Way Till Eternity

Behold, he cometh with the clouds,
and every eye shall see him, and they
also that pierced him. And all the tribes of
the earth shall bewail themselves because of him.
Even so. Amen.
I am Alpha and Omega, the beginning and the end,
saith the Lord God, who is, and who was,
and who is to come, the Almighty.

Revelation 1:7-8

Life is not an easy road: follow your heart, in making decisions, pray, look, think and listen to your inner voice, the Holy Spirit within you

Jesus Christ, Mother Mary

Jesus Christ

My daughter, my Andorinha¹, thank you for sitting with me to converse with me and my Blessed Mother. I, your Jesus, say that I love you, my Petal.

My child, thank you for helping my children with prayers and for your sacrifice of taking my children to my daughter Isaura. They are in need of healing and prayers. My daughter Belinda needed comfort and understanding, a shoulder to cry on, a friend, a counsellor to help her through me, your Jesus. My child, I am the healer of thee. My children need to be nurtured with my love. They are in need of a seed [to be planted] in their dry soil and then watered. Thank you, my daughter, for your time given to them and for explaining to them how much, I, your Jesus, wish my children to forgive one another as I forgive them. Thank you, my child.

My daughter, today was full of healing in my children. I, your Jesus want to thank you and my children Alice, Celeste, Cheryl for the healing done unto my children Tony, Goretta and Madalena. My children needed deliverance and liberation, to be released from all their knots of malice and jealousy. I, your Jesus say thank you for the beautiful work done in my holy name. My child, I was present with my Father, the Holy Spirit and my dear Mother. My child, I will mend, restore my precious devoted children's marriage, home, family affairs. I will protect them from their enemies, the envious ones.

My son Antonio wants to know more deeply, profoundly about my son _____. Oh my son, it's not easy to recognise the pure, sincere hearts, the truthful souls. What I am saying to you, my son Antonio (Tony), is to look deep into your heart, listen to your inner voice, to the Holy Spirit within you. It will give you the right knowledge. Look into the details for a moment, but then look deeper into the future and what you can achieve from that. What is your gain, what will you gain from that? My son, pray, pray, I, your Lord, will guide you. Sit and listen to me, your God, your Lord. My Son, I, your Jesus of Nazareth, want to say to you to look, think about the other opportunities between your relatives, go into detail, look around you, in your surroundings. I, your Jesus, will help you to see with clear vision which way to follow. My child, I have seen your struggles, your trials and hardships, your will to succeed throughout your life. My son Antonio, life is a challenge. This is not an easy road to ride. I, your Jesus, will guide you. Ask me for my hand always. Trust your Jesus completely. When I take your hand, you will be on the right path. My son, I, your God, your Lord, I am taking care of you and your loved ones. Ask, knock, and you shall receive. Follow your heart,

listen to the Holy Spirit within you. You will get your answer. Do not fear. I bless you, my children, your marriage and your loved ones, they are all in my care. I placed you in my heart and my Beloved Mother, she will wrap you and your loved ones [in her Divine Mantle]. I, your Jesus, give you my peace, my peace I give you and your family.

My daughter, my dear Mother, she is here to converse with you.

Mother Mary

My daughter, my Petal, thank you for your patience and love given to my children. Today you did a lot of travelling, walking to help my sheep. Oh my Andorinha, now is the time to reap what you sow. My child, what I promised you, I will place it in your hands. My child, throughout your life, you have helped an immensity of my sheep, my flock. Heaven rejoices for the grand occasion. Oh my Petal, heaven will let all the yellow rose petals fall upon you. My daughter, tomorrow, look for the sign of yellow roses falling upon you – it's given from me, my Son, the Holy Trinity in a bow with your present. Oh my daughter, I am so excited for this beautiful occasion. It's about time you received it. My child, through that you are going to help a lot of my children. Your good heart will share with others. I, your Mother Mary convey, relay, this message given from heaven. Very soon, you will be prepared for your task. My child, I will be with you always.

Do not worry about your hand, your arm. My Son will heal it for you. My Son needs your hands for his work. It will go away, my Petal.

My daughters Goretti and Madalena, I, your Mother Mary, say to you at this moment that I will help you to make the right decision about your new development. My children, I, your Mother Mary, say to both of you: look for the best opportunity to be taken. Trust in your best interests. Study your fellow co-workers, go to the place where you feel you are going to feel peace – your spirit will lead you. Don't trust just anybody who comes your way. My children, my Son Jesus and I, your Mother Mary, we are going to help you with this decision.

My daughter Celeste had the right discernment: the place has to be cleansed, purified, blessed. The novena will guide you on this task. My child, keep faithful with your prayers in loving my Son and me. My daughter, I bless you both, your loved ones. You are my faithful, obedient, humble child. The universe will provide ...private message removed... Give everything to my Son Jesus. Place it in the palm of his hands. Trust my Son with all your hearts.

I, your Mother Mary, say thank you for all the prayers, Rosaries, praises and singing at the prayer group – it's the most soothing balm into my Son's heart and mine. I, your Mother Mary, I am full of joy and happiness with this prosperous, auspicious prayer group. Thank you and to my precious devoted daughter Celeste and my chosen team of children in this special group. Thank you, my prayer warriors. I, your Mother Mary and my Son Jesus, we are pleased, grateful to all of you, my precious jewels.

I bless you all and your loved ones, families, friends, enemies and all my sheep, my lost flock. I will always protect you and your loved ones with my Divine Mantle.

[Fernanda] *Thank you, my dear Mother, I love you.*

Jesus Christ

My Andorinha, I, your Jesus, say thank you for all your love and care towards my children. My daughter, I want to say to you again, do not fear. I, your Jesus, I prepared your banquet. Receive it on earth and in heaven. Your table is not short of anything, your table will overflow. All your

struggles till now have ended. My Andorinha, you will have no more worries about your finances. My child, your mission, I repeat, it's done – your task will start at any time. Thank you, my little Petal.

I, your Jesus, give my peace, my peace and blessings to you, your loved ones, family and to the whole world. I, your Jesus of Nazareth, love you very much.

[Fernanda] *My Jesus, I love you too, my Lord, with all my heart, and my Beloved Mother, the Holy Trinity. I praise and glorify your name above all names – I, your humble servant. Sua bênção².*
