

ALPHA + OMEGA  
God's Way Till Eternity

Behold, he cometh with the clouds,  
and every eye shall see him, and they  
also that pierced him. And all the tribes of  
the earth shall bewail themselves because of him.  
Even so. Amen.  
I am Alpha and Omega, the beginning and the end,  
saith the Lord God, who is, and who was,  
and who is to come, the Almighty.

### Jesus Christ, Mother Mary

---

[Fernanda] *My Jesus, I love you.*

Thank you, my daughter, for sitting with me and my dear Mother. I love you too, my little one. My Petal, I, your Jesus, am here to convey to you about the beautiful day.

You spent some time with our son \_\_\_\_\_. The peace today, you felt it with him, not being so anxious. I am taking care of our son.

My daughter, you spent some time with my daughter organising the tour and what needs to be done. Oh my child, you are going to visit lots of places where my Apostles passed through, where they worked for my living Word, proclaiming my words of wisdom to my sheep. Oh my child, you are going to feel a lot of my presence there and at my Mother's place, Virgin Mary's house. My dear Mother, she will converse with you there. She is excited for that day that will be spent at her holy grounds. You will be absorbed by my presence. I will give you a special sign in some places, especially Tarsus and Ephesus. I will give you something special "upon you" to bring with you.

My child, I am preparing everything for you. my little one, I, your Jesus, want to convey to you, announce something very special, important for your mission. Be aware my child, the sign is near to come upon you. My little one, you are going to feel that you are inadequate, not worthy of me. My child, you are worthy of my love. Your heart always desires to be with me and my Mother.

You would like to know about my Father and the Holy Spirit more profoundly. My child, my Precious Father in heaven is the most accomplished Eternal Father you could ask for. Sometimes your heart desires to see a real photo of my Father to post together with all our beautiful photos. One day, I will send you a wholesome photo of my Father. Oh, with the Holy Spirit, the Three-in-One Persons is very prominent, profoundly rare, beautiful. You could never imagine how big, important, the love from the Holy Trinity is. Adore always, pray always, for the *Santissima Trindade*<sup>1</sup> is the most powerful presence in heaven and on earth. One day you will receive the gift to see this beautiful Trinity. Oh my child, it's amazing how our Trinity is always in unison, together.

My child, I want to come back to your conversation about the sign to be given upon you. My child, you asked me before that you would like to have this. I, your Jesus, will grant your wish for the love of your Jesus. The world will acknowledge that you are from me, your God, your Lord.

My little one, I want you to have the time to ascertain all your messages given to you from me and my dear Mother. Time is running out for your mission. My Andorinha<sup>2</sup>, you are my hope to help me by going to prayer groups all over the world. You are going to be my big warrior, my apostle, my disciple, my messenger. You have been learning a lot from me and my Mother. My teachings have been absorbed deep into your heart. Do not worry, the Holy Spirit will illuminate you. He will be with you [for you] to speak everything from the heart. You will remember everything said to you about our messages.

My daughter, my dear Mother, she is here to converse with you.

### **Mother Mary**

My Andorinha, thank you for sitting and spending some time with me and my Son Jesus Christ.

I, your Mother Mary, the Mother of your loving Jesus, wish to thank you for everything done to accomplish your visit to my holy grounds in Turkey. My child, you remembered today that one night, I, your Mother Mary, woke you up to convey to you that you were going to go with your sister, my daughter Isaura. My child, what I, your loving Mother said to you, you are going to receive it, what was promised to you. It will be given to you from my Son and me, your Mother Mary. My little one, it's my desire to see you there. I will converse with you. I will take your hand and sit with you. I will walk [with you and] show my holy place to you. I will reveal myself to you. You will acknowledge my presence. My little one, I will let you be in total peace. When you leave these grounds, all your worries, where your [concerns] are now, will disappear. I want you to be in my peace and my Son's. All your finances will be solved. You are going to be free of that heaviness in your heart. I don't want anything to oppress you. I want you to be joyous.

My child, when you are back here, your mission will be on your table, in your hands, for you to take over your task, your mission. Then your time is limited for earthly things. Oh, you are going to be criticised, persecuted until your sign comes upon you, then you will be in full force to start your big, big mission. Our sons, your loved ones, with you, the finances, are in my Son's hands. You are not going to be afflicted, anxious, anymore. You will see – petty things, gossips, are not for you anymore. We want your purification to be perfect for your mission.

*[Fernanda] Thank you, thank you my blessed, dear Immaculate Heart of my dear Mother Mary. I want to say it a million times, but it's not enough for these graces obtained from my Jesus and my Blessed Mother. I love you, my dear Mother, with all my heart, my perfect Mother, my guidance, my everything in my life. Thank you. Thank you.*

My daughter, I thank you for your kind, beautiful words with so much gratitude, appreciation to my Son and me. My Andorinha, I know your heart, you have so much in your hands to accomplish. You want to please some of your sisters in Jesus Christ, but my child, do what you can in your *alcance*<sup>3</sup>, capacity. Your mission is very near. You are aware of that. Try first to accomplish what my Son entrusted to you. All your messages have to be in order to proceed, advance, in my Son's holy name. My daughter, thank you for this special time spent with my Son and me, for the dialogue between us.

I bless you and your loved ones, family, friends and all my children. I, your Mother Virgin Mary, conceived without sin, I pray for all your loved ones and for the whole world. Thank you for responding to my call.

### **Jesus Christ**

My Andorinha, I, your Lord, your God, admire your courage and simplicity to sit in this position. Every time I call you, and my Mother, as long as you are conversing with your Jesus and my Blessed Mother, you never complain about the position you undergo to keep us company. My child, I can see, I appreciate your sacrifice, obedience, your love in this beautiful gesture towards me, my Mother and the Holy Trinity. I will reward you in heaven.

[Fernanda] *Oh my Jesus, to have this special honour of conversing with my Jesus and my precious Mother, as my Lord says to me, a rare gift that I received... I can be anywhere, and I will never hesitate for anything of this world to sit and converse with my Jesus and my Beloved Mother. My Jesus, I am your servant, your warrior, your worker, your apostle, disciple for your harvest. My Lord my will is yours, my Jesus, my King. My Jesus, can I smile now at my Jesus and my dear Mother?*

Oh my child, you may smile. Thank you for this lovely gesture of your heart to my Mother and me. My child, your smile is synchronised with our hearts. It's like incense, perfume to our heart. Thank you, my child.

[Fernanda writes] *I was smiling at my Jesus.*

My child, one day, you are going to receive our smile in return.

[Fernanda] *I love you, my Jesus, my Father, my Holy Spirit and my dear Mother.*

Thank you, my child, for these intense, immersive words pronounced to our pierced hearts.

My child, you keep rubbing your eyes and showing them to me. My Andorinha, I am aware of your eyesight, your vision. I know how difficult it is for you, how irritating. But, my child, I said, you know already what I said to you many times: I, your Jesus, your God, your Lord of Nazareth, I am your healer, the healer of thee. I will restore, recuperate, rejuvenate your eyesight in my holy name. Just endure this sacrifice for a short period. I will soon do a miracle for you, for your mission, a sign of my presence, my appreciation, for your will given to me in acceptance of your task, your mission. My humble servant, my messenger, for my End of Times, I your Lord, your God love you very much, and all my people, my sheep, my flock. I give you my peace, my peace I give to you, your loved ones, family, friends and all the world.

[Fernanda] *Thank you, thank you, my Lord for all this love, the gift bestowed upon your simplest servant. My Jesus, can I please ask my Jesus a big favour: your son Paul \_\_\_\_\_ and your daughter Tania \_\_\_\_\_, your daughter Tania is pregnant. My Jesus you created this baby boy whom I don't know. You gave him the Breath of Life. You sent, gave him to his earthly parents. My Jesus, they are worried because your son, the doctor, said to your children that they might lose the baby, your baby. My Jesus, you know how much they wanted this baby that you lent to them. If it is my Jesus' holy will save him and help them to receive the baby in your abode of love, I thank you, my precious Lord, my Jesus.*

My daughter, thank you for understanding very well the content of my message given to you about my children, my babies, that I your Jesus create them. Thank you, my child, for your explanation into this dialogue, this matter. You are getting ready for your mission.

My daughter, my children Paul and Tania must give this matter to me, to my loving hands. They must trust me, your Jesus. I will persevere. I will take care of my little baby whom I created and gave the Breath of Life to, whom I entrusted to these parents, my children. I will let them receive this bundle of joy in their home.

Relay my message to my children. Tell them to be in my peace, love and unity always. I, your Jesus, your God, love you. I will protect you. I bless you abundantly. Trust your Jesus, your Lord of Nazareth. I am the Alpha and the Omega.

Thank you, my daughter for being obedient to care for my children. Convey this message to my precious children.

[Fernanda] *Thank you my Jesus, my love my Spouse. Sua bênção<sup>4</sup>, my Holy Trinity. Sua bênção, my dear Mother. Thank you.*
